## **Sabbath School Lesson Guide:**

*The Bible-teacher's Guide Or Methods of Work in the Sabbath-school* James Avery Worden, 1893      *The Sunday-school Teacher's Guide* Daniel Parish Kidder, 1846      **Guide's Greatest Sabbath Stories** Helen Lee Robinson, 2004 Here is a collection of amazing but true stories about God's faithfulness to those who honor His holy day. A father has no money to send his children to church school until his boss offers him a raise if he will work on Sabbath just this once. A son is offered a stack of money if he will forget his Adventist scruples. A man with a gun aimed at his heart has to decide whether to honor his conscience. Seventh day Adventist athletes face Sabbath tournaments, musicians face Sabbath recitals and students face Sabbath exams. Fishermen leave huge fish waiting in their nets at Friday sundown. Even inanimate objects honor the Sabbath like the hammer that wouldn't work on that day, the thick harness torn in two by an invisible hand and one supercapacity water jug. Sometimes angels get into the act. One explains the seventh day in a dream. Helpful guides appear and disappear. A mysterious porter brings baked potatoes to a young man bleeding from the lash of his chief who demands he carry a load on the Sabbath. In each case God provides for His own. Taken from 50 years of *Guide*, a magazine for Christian youth, these stories prove God's promise: Those who honor me, I will honor. 1 Samuel 2:30 NIV. Book jacket      **God's Love Language** Waldon Wright, 2014-04-09. God's Love Language is an easy to read, comprehensive, inspirational and thought provoking, non-fictional, redemptive and life saving presentation on a subject that has eternal consequences for individuals, the family, society and our world. This researched work gives a clear and direct answer to the question: What is God's Love Language? In doing so, it compares and contrasts God's Love Language with human love language against the backdrop of love, love language, kinds of love language and communication of love. This work also shows that God has a keen interest in building a saving and eternal relationship with human beings that is second to none. While God's Love Language outlines the outstanding benefits to persons who have used it, are using it and will use it in the future, it also presents consequences to those who knowingly refuse to use and endorse it. God's Love Language also provides an inclusive list of persons who have used it. This list includes the rich, poor, educated, uneducated, as well as villains whose lives have been transformed permanently for good. By including users of various backgrounds and diverse experiences, it sets out to show that your life can be changed for the better, that your past does not have to define your future and your past sins or crimes need not imprison you to a life of doom and gloom. Then, as if in answer to your unspoken question, it gives the reason for this seemingly humanly impossible transformation as the beings who are at the centre of God's Love Language. Then it concludes by providing you with a priceless opportunity to make a response in favour of God's Love Language. Take this enviable, rewarding journey through this book. As you become thrilled by the gripping plots, scenes and life changing stories along this seven chapter experience, you will conclude that while human love language is good, God's Love language is a far more excellent way. Then encourage others to take the same journey as you did and endorse God's Love Language.      *The School-master's Friend, with Committee-man's Guide* Theodore
