Customer Points of Contact in the Travel Experience Gary L Parker, 2024-08-10 Within the past few years passenger carriers have come to realize that there are abundant opportunities to engage with travellers at touch points throughout the travel planning and booking process to engender additional brand loyalty and generate incremental revenue via ancillary services There can be up to eight essential stages of the overall travel experience including Inspiration Planning Booking Purchase Pre trip Departure On board and Post trip Many passenger carriers are taking steps to transform their brand images and operations from mere providers of a commodity product seats on a plane or means to an end a transporter of passengers from point A to B into entities providing timely and alluring travel services throughout the customer experience

Module Fourteen - Retailing Gary L Parker, 2024-08-10 In an effort to overcome the perception of a seat as a commodity and to increase yields and loyalty a key initiative in the passenger transportation community is the introduction of branded products with their associated privileges In addition to the different fare conditions for each branded product there are different travel experiences baggage entitlements cabin information and loyalty rewards Ancillary revenue product and service experimentation are evolving as we move forward Passenger carriers all over the world are adding optional extras such as pre paid baggage early boarding assigned seating and pre order meals A la carte is at the opposite end of the spectrum from methods that bundle amenities using distinct price points Allowing consumers to click and choose their way through the booking process is a favourite practice among low cost carriers and a growing number of traditional carriers It s

one of the easier implementation choices because it merely adds optional extras to a carrier's existing fare structure
