Benninga,Marvin W Berkowitz,2021-04-01 Sample Chapters FOR THE BETTER Marvin W Berkowitz University of Missouri St Louis THE OVERLOOKED INEQUITY Eric Schaps The Journal of Character Education is the only professional journal in education devoted to character education It is designed to cover the field from the latest research to applied best practices We include original research reports editorials and conceptual articles by the best minds in our field reviews of the latest books and other relevant strategies and manuscripts by educators that describe best practices in teaching and learning related to character education The Journal of Character Education has for over a decade been the sole scholarly journal focused on research theory measurement and practice of character education In this issue of the Journal of Character Education we return to something foundational and introduce something new The foundational element is a set of six independent scholarly manuscripts by a mix of emerging and established scholars We are pleased to introduce a new feature

of the Journal of Character Education in this issue namely a section we are calling simply Opinion We began the JCE with an exclusive focus on publishing scholarship because there was no scholarly journal that focused on character education Over time we realized that we wanted to speak about practice and particularly to practitioners as well Hence we created a section we call Voices to present innovations and perspectives representing the voices of exemplary practitioners of character education Now we introduce the Opinion section that will allow us to publish perspectives from leading authorities in the field that might be more provocative We would love to hear responses to either or both opinion articles and are working on plans to share such responses perhaps on one of our related websites At this point we plan on publishing more opinion articles and for now by invitation However we are always willing to consider unsolicited articles for possible inclusion in the JCE
