Sad Monsters Growling On The Outside Crying On The Inside

Frank Lesser

Sad Monsters Growling On The Outside Crying On The Inside:

Sad Monsters Frank Lesser, 2013-01-09 For too long the daily problems of monsters have been ignored Few people take the time to understand the secret lives of those monsters we know so well from popular culture From Godzilla's parental woes the witch worried about the calories contained in Hansel and Gretel to Big Foot's problems with Megan Fox Frank Lesser reveals just how human monsters can be How do you heal a broken heart when you are undead How does a Yeti go about getting an editorial job at Vogue If you're engaged to Frankenstein should the wedding ceremony be Methodist or Catholic Does that vampire stay in his crypt all day because sunlight will burn him to ashes or because he has social anxiety disorder With illustrations from Google's Willie Real Sad Monsters explores the secret lives of all your favourite monsters from pop culture literature and right outside your bedroom window **WARNING** Do not read this book if you have recently experienced monster related heartbreak Especially if that heartbreak involved a werewolf and could better be described as heart gnaw In this book you will find monsters who are sad misunderstood discouraged lonely and in many cases demonized particularly the demons Perhaps someday you will realize that inside each of them is a human or at least parts of one Because these monsters hunger for more than man flesh they hunger for love Exploring the secret lives of monsters from literature and popular culture Frank Lesser presents Godzilla facing an existential crisis a yeti longing to work for Vogue magazine while Hansel and Gretel's witch complains about her new no child diet Sad Monsters catalogues the mood swings shortcomings and neuroses of ghouls goblins and unicorns and proves that monsters are only human **Auch Monster**

haben Angst im Dunkeln Frank Lesser, 2012-07-06 Monster leiden häufig an psychischen Problemen aber man sieht die Warnzeichen oft nicht Bleibt dieser Vampir den ganzen Tag bei in seiner Gruft weil er im Sonnenlicht zu Staub zerfällt oder ist er nur krankhaft schüchtern Klagt jene Zombiefrau dauernd über Kopfschmerzen weil sie Hunger hat oder sind es Minderwertigkeitskomplexe da sie nie studiert hat In diesem Buch wird man Monstern begegnen die traurig sind entmutigt einsam oftmals verteufelt und das gerade bei Teufeln Aber in ihren Herzen sind sie auch nur Menschen denn man ist schließlich was man isst Und sie sehnen sich nach Liebe Nach jüngsten Forschungsergebnissen ist mehr als die Hälfte aller Werwolfattacken eigentlich als Umarmung gemeint Wenn Sie also das nächste Mal auf die andere Straßenseite wechseln um einem Frankensteinmonster aus dem Weg zu gehen das auf Sie zugewankt kommt dann fragen Sie sich mal wer denn nun das wahre Ungeheuer ist **Waverley Magazine** ,1860
