Legacies of a Shopping Bag Lady Mildred Keel-Williams,1984

Bag Lady Shantell Antoinette,2014-11-11 A collection of poems taking the reader on a journey through the good the bad and the ugly of relationships Releasing the hurt and disappointment onto each page brought a freedom the writer hopes to share with her readers and through her freedom she gives her audience permission to heal and experience a freedom they never knew was possible Words are powerful let these words empower you to forgive and position you to receive the gift of love waiting for you once you release the baggage

Wole Soyinka Biodun Jeyifo,2003-11-13 Biodun Jeyifo examines the connections between the innovative and influential writings of Wole Soyinka and his radical political activism Jeyifo carries out detailed analyses of Soyinka s most ambitious works relating them to the controversies generated by Soyinka s use of literature and theatre for radical political purposes He gives a fascinating account of the profound but paradoxical affinities and misgivings Soyinka has felt about the significance of the avant garde movements of the twentieth century Jeyifo also explores Soyinka s works with regard to the impact on his artistic sensibilities of the pervasiveness of representational ambiguity and linguistic exuberance in Yoruba culture The analyses and evaluations of this study are presented in the context of Soyinka s sustained engagement with the violence of collective experience in post independence postcolonial Africa and the developing world No existing study of Soyinka s works and career has attempted such a systematic investigation of their complex relationship to politics

again in a world beyond death So much of what is precious has been neglected in search of money belongings and real estate Shall we forget forever family solidarity love faith those matters most rewarding and our constant source of joy Or shall we turn from shopping shallow entertainment material obsession to rediscover our true identity Shall we take time to consider those treasures offered to us forever The strain of the world has a way of unveiling false assumptions and presenting the need for that final bridge Our quest for a stable world falters daily In an effort to achieve everything by human efforts our age has given its respect to the clever powerful and worldly and put aside the lovely miracles of the God of compassion and eternal blessings God still rewards those who continue in Christ s faith and service Yet in a broader spectrum POEMS OF THE BRIDGE rejects the prevailing philosophic viewpoint of positivism advocating that neither God nor the spiritual has any effect upon the course of history the plight of the human race or individual persons      **Uncivilizing** Caroline H.
