narrative journalism The Caravan occupies a singular position among Indian magazines It is a new kind of magazine for a new kind of reader one who demands both style and substance Since its relaunch in January 2010 the magazine has earned a reputation as one of the country's most sophisticated publications a showcase for the region's finest writers and a distinctive blend of rigorous reporting incisive criticism and commentary stunning photo essays and gripping new fiction and poetry Its commitment to great storytelling has earned it the respect of readers from around the world India's best English language magazine The Guardian London For those with an interest in India it has become an absolute must read The New Republic Washington The Caravan fills a niche in the Indian media that has remained vacant for far too long catering to the intellectually curious and aesthetically refined reader who seeks a magazine of exceptional quality

Secondary Predication and Adverbial Modification Nikolaus P. Himmelmann, Eva F. Schultze-Berndt, 2006-09-28 Depictive secondary predicates such as raw in George ate the fish raw are central to current issues in syntactic and semantic theory in particular predication theory phrase structure theories issues of control and grammatical relations and verbal aspect This is the first book to approach depictive secondary predication from a cross linguistic perspective It describes all the relevant phenomena and brings together critical surveys and new contributions on their morphosyntactic and semantic properties It considers similarities and differences between secondary predicates and other types of adjuncts including adverbials of manner comparison quantity and location The authors are leading scholars with a first hand knowledge of the languages they discuss Their approach is theory neutral and pragmatic they draw on insights and research traditions ranging from the minimalist program to semantic maps methodology The book will interest scholars working on the semantics or syntax of secondary predicates adverbials and the role of agreement and other morphological marking It has been designed for use in advanced syntax and typology classes

History of the British Army (Vol.1&2) J. W. Fortescue, 2023-11-16 In History of the British Army Vol 1 2 J W Fortescue presents a comprehensive chronicle that meticulously documents the evolution of the British Army from its inception to the military reforms of the early 20th century Written in a vigorous yet accessible literary style Fortescue employs a narrative approach that combines rigorous historical analysis with vivid storytelling providing readers with both factual insights and engaging anecdotes This two volume work situates itself within the broader context of military history and British imperialism examining the army's role not only in warfare but also in shaping national identity and policy throughout the centuries J W Fortescue an esteemed military historian and officer was profoundly influenced by his own experiences in the British Army and his keen interest in historical documentation His scholarly aptitude and commitment to presenting an unvarnished account of military history led him to delve deeply into the myriad complexities surrounding the institution Fortescue's research is underscored by a wealth of primary sources displaying both a strategic and tactical understanding that enriches

his narrative Fortescue's History of the British Army is indispensable for historians military enthusiasts and general readers alike Its blend of thorough research and engaging prose not only enlightens but also captivates offering profound insights into the complexities of military life and the forces that shaped modern Britain This work is essential for anyone seeking to understand the foundational elements of the British military and its impact on history

Analysing Secondary Predication in East Asian Languages Ryosuke Shibagaki, 2014-08-11 After more than three decades of research on secondary predication there has not been a book which examines the syntactic and semantic mechanisms of secondary predication in East Asian languages such as Chinese Japanese Mongolian and Korean until now Shibagaki's lucid and impartial survey should prove of great value to people interested in the study of not only secondary predication but also the theories of syntax and semantics

Formal Perspectives on Secondary Predication Marcel den Dikken, Hideki Kishimoto, 2024-07-01 The topic of secondary predication has attracted much attention especially in the generative literature The present volume distinguishes itself from previous volumes on this topic in that all chapters discuss current issues in the syntax and semantics of secondary predication in the languages of Europe including the Indo European languages English Dutch French and Spanish as well as Hungarian a Finno Ugric language and the languages of Asia including Japanese Chinese and Korean from formal linguistic perspectives This book brings to light important new results in and directions for research on secondary predication

Norman Mailer J. Michael Lennon, 2013-11-07 Norman Mailer was one of the most famous writers of his generation People who had never read a word that he wrote knew who he was because of his fame as a novelist or journalist or his notoriety because of his womanising his rivalries with other writers his appearances on television his political outspokenness and his prominence as a leading intellectual of his era A provocative chronicler of the second half of the twentieth century both as a journalist and a novelist works such as *The Naked and the Dead* and *The Executioner's Song* vividly define a moment in American history J Michael Lennon was authorised by Mailer to write his biography and as such has had access to family and friends and to unpublished documents and letters *Norman Mailer A Double Life* reflects Mailer's dual identities journalist and activist devoted family man and notorious philanderer intellectual and fighter writer and public figure Jew and atheist Whether you admired him or loathed him he was remarkable and unique His was an astonishing life
