**What is Holding You Back?!!!!** Dr. David Ajeigbe, 2024-02-28 Whenever humans are going through difficult times they should realize that God is always ready to rescue them from their predicaments However humans have short memories they soon forget how bad things were for them before God's rescue Therefore instead of moving closer to God they perceive a smaller problem as being bigger than the ones from which God had saved them God is always faithful and He never changes at all He expects all to put their trust in Him since He is able and eager to solve human problems according to His will The Lord is great and so is His faithfulness God demonstrated His great love to all humans that He allowed His son to be sacrificed to save them all Christ gave so much importance to human life that He gave His own life to save theirs Therefore there should be nothing to hold humans back from doing His will or from achieving the best that God has in store for all
