Theres more to inheriting eternal life than what many of us have been told Depending upon your level of spiritual commitment this statement may or may not mean anything to you But it means everything to me Why It is because eternal life represents the progressive alternative to endless death the only other potential final destination of my soul Therefore as the soul shall subsist forever securing eternal life should be the primary objective of every progressive existence At the same time many have been deceived into believing that inheriting eternal life is as easy as saying a simple prayer or having an undeveloped meager level of faith Still the reality is that inheriting eternal life i e the greatest prize of all time will naturally require the greatest investment of all time a life dedicated to the will of the Father which is the basis of progressive spiritualism Accordingly the scriptures teach us For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul See Matthew 16 25 26 In my opinion any honest person would come to this conclusion and would rightfully as well as willfully desire to make the necessary investment required to obtain the prize of eternal life The problem is that many honest believers havent been told the whole story and are preparing to go to the Judgment with many of their works undone Consequently the question of the hour is simply this what more is there to the story Conclusively the answers to this inquiry are found within this volume of The Pinnacle of Holiness Building off the former volume which provides a high level description of the path which leads to eternal life this volume will focus on providing detailed information about the path Thus it should be viewed as a spiritual training manual which each sojourner soldier can employ to ensure that they are abiding by every criterion associated with inheriting eternal life In the end and with regards to the delicate matter of eternal life the most critical factors are the instructions which the Father has revealed to us by His Spirit and recorded within His Word Definitively these spiritual and scriptural disclosures are contained within this volume As the scriptures have said And thine ears shall hear a word behind thee saying This is the way walk ye in it when ye turn to the right hand and when ye turn to the left *Gaining Deeper Levels of the Anointing* Dr. Kevin Hull,2014-06-16 Have you ever wondered if there is more to God than just a Sunday morning relationship In this latest book Dr Hull takes you on a journey of learning showing you how to go deeper with Him You will learn how to be with God to be in relationship with him not just to have a casual curiosity *Resource Guide for Congressional Staffs* United States. Healing the Father Wound Kathy Rodriguez, 2014-04-23 Like restoring a vintage painting to its original splendor God seeks to restore his father position with us but this process can be hindered when we see him through the distorted image of our earthly fathers Since most people come from less than perfect homes it is often difficult to see God the way he wants us to see him as a loving father Many of us are living out the legacy of father wounds inflicted during our childhood *Healing the Father Wound* is the perfect tool for anyone wanting to learn how to move forward toward emotional and spiritual maturity regardless of their past
