When God Is Silent Barbara Brown Taylor:

When God is Silent Barbara Brown Taylor, 2013-06-28 An enduring classic from award winning writer Barbara Brown Taylor and a timeless meditation for all who thirst for a God who often seems to be silent It considers the limitations of the language we have at our disposal to speak about God the stupendous responsibility upon anyone who attempts to speak for God in preaching or pastoral encounter and the torrents of words coming at us from all directions in contemporary culture that can drown out the messages we really need to hear In this land of linguistic superabundance Barbara Brown Taylor argues persuasively for simplicity and economy when speaking of God She reflects on the eloquence of Jesus silences and how we can find ways of bringing tired old language about God back to vivid powerful life When God is Silent Barbara Brown Taylor, 1998-01-25 Reading of God's silence in the Bible gives me courage to explore the practice of restraint in preaching not as a deliberate withholding of God's word nor I hope as a rationale for my own reticence but as a sober reaching for more reverence in the act of public speaking about God In these 1997 Lyman Beecher Lectures in Preaching delivered at Yale Divinity School Barbara Brown Taylor focuses on the task of those who preach and those who hear sermons in a world where people thirst for a word from God How may we approach this seemingly silent God with due respect proclaiming the Word without violating the silence by speaking with restraint Her first chapter examines the late twentieth century language with which we talk about God in theology and speak to God in prayer The second chapter addresses the question of God's communication in Scripture and how the voice of God was heard less and less in the land as the centuries progressed Finally Taylor explores what the silence of God means for Christians and how we may exercise homiletical restraint in speaking of the divine The Company of Preachers Richard Lischer, 2002-08-30 This unique volume draws on the wisdom of Christian thinkers and preachers from across the ages to present a warm and informative collection of insights on the art of preaching Gathering the writing of figures as diverse as Augustine John Chrysostom Jonathan Edwards Gardner C Taylor and Barbara Brown Taylor The Company of Preachers provides experienced advice on effective preaching direct from the pens of those who have known it best The book is arranged in seven divisions each covering a central component of the preaching task Editor Richard Lischer himself a distinguished preacher and teacher gives a brief introduction to each selection Aptly presenting a theological and historical cross section of the church's homiletics this volume will be invaluable to preachers students preparing for ministry and others seeking models of powerful Christian speech Features insights on preaching from Augustine Karl Barth Dietrich Bonhoeffer Walter Brueggemann Rudolf Bultmann Horace Bushnell David Buttrick John Calvin John Cassian John Chrysostom Fred B Craddock C H Dodd Jarena Lee Jonathan Edwards Charles Grandison Finney P T Forsyth Harry Emerson Fosdick Gregory the Great George Herbert Martin Luther Henry H Mitchell John Henry Newman Phoebe Palmer Paul Ricoeur Oscar Romero Friedrich Schleiermacher Charles Haddon Spurgeon Barbara Brown Taylor Gardner C Taylor John Wesley and many more *Preaching to the Hungers of the Heart* James A.

Wallace, 2002 Preaching to the Hungers of the Heart is about words most particularly it is a book about the Word the living Word of God found in the Scriptures and embodied once and for all in the person of Jesus the Word made flesh In Preaching to the Hungers of the Heart Fr James Wallace offers a nuanced consideration of the homily as nourishment He focuses on three common liturgical contexts feasts of the Lord feasts of Mary and the saints and the sacramental rites He relates the preaching that occurs within each area to one of the heart's basic hungers for wholeness the great feasts of the Lord for guidance feasts of Mary and the saints and for meaning various rites He also addresses the spirituality of the preacher as it is worked out in the process of preparation For preachers and students in schools of ministry who are preparing to preachPreaching to the Hungers of the Heart will serve as a useful tool to help satisfy the hunger to preach the Gospel It includes homilies that provide excellent starting points for preachers looking for ideas Chapter one considers the image of feeding God's people with the Word of God Chapter two considering the innermost hunger of the human person looks to the preaching that takes place on the great feasts of the Lord and how such preaching can nourish the hunger for wholeness Chapter three returns to the hunger for meaning already mentioned and extends to the other sacramental celebrations the homily s capacity to meet this hunger including those addressed by the various sacramental celebrations of the Church such as baptisms weddings funerals rites of reconciliation and anointing of the sick Chapters four and five present the homily as responding to the hunger to belong The final chapter considers one other hunger of the heart unique to the preacher referred to by John Paul II as a hunger to preach the gospel Pastores Dabo Vobis no 28 Chapters are Preaching s Task in a New Millennium Feeding God's People Preaching the Feasts of the Lord and the Hunger for Wholeness Preaching Within the Sacramental Rites and the Hunger for Meaning Preaching Through the Saints and the Hunger for Belonging I The Saints Preaching Through the Saints and the Hunger for Belonging II Mary and Cultivating the Preacher's Hunger To Make the Gospel Known and Loved James A Wallace CSsR PhD is professor of homiletics at Washington Theological Union His previous works include Preaching Through the Saints and The Ministry of Lectors published by The Liturgical Press He has also authored numerous articles and has given preaching conferences and workshops in the U S and abroad Church? Timothy Radcliffe, 2009-02-04 Written by a spiritual master this is an important Lent title that examines what it means to celebrate the Eucharist and in turn reminds us of our capacity for love hope and faith Reading Buechner Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of his literary legacy today God Talk Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God's voice And many believers testify to God's conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural

and essential In those rare moments during a day when talking ceases or when we re alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the guestion Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don't feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God's voice InGod TalkTucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don't hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God The Jazz of Preaching, 20th Anniversary Edition Kirk Byron Jones, 2025-03-04 Learn to preach from your soul What if preachers were as contagiously joyful in their preaching as Louis Armstrong was in his playing and singing As rich in their sermonic renderings as Sarah Vaughn was in her virtuosic vocals As honest about heartache as Billie Holiday every time she sang the blues As alluringly clear as the voice of Ella Fitzgerald As tenaciously uninhibited in the action of creating as Duke Ellington This may be too much ask even of persons who are called by God However as Kirk Byron Jones demonstrates preaching can be enhanced by an understanding of the inner dynamics of jazz The forms rules and styles of jazz can inform one s practice of preaching and its simultaneous structure and spontaneity can help preachers better understand their own art In his classic text for students and practitioners Jones explains how preaching is dramatically improved with the application of key elements of jazz including innovation improvisation rhythm call and response honesty about heartache and delight This 20th Anniversary Edition includes a new element preaching from your genuine soul Chapters include instruction and exercises for applying the jazz elements to preaching preparation and performance This edition also includes an Introduction in which the author sets the context for the new material and articulates his conviction that this approach to preaching is needed now more than ever The Jazz of Preaching 20th Anniversary Edition introduces the rich and rewarding possibilities that arise when preachers tap into their own creativity and their own soul when constructing and delivering the sermon Retelling the Story Larry Lange, 2005 Is the typical didactic sermon still an adequate vehicle for communicating essential biblical truth In this provocative and enlightening volume Larry Lange contends that story sermons are a far more effective way to proclaim the Good News in a modern world that largely communicates through narrative driven multimedia spectacle The powerful stories in the Bible don t need to be turned into morals or ideas to convey the gospel But because they were composed in a radically

different cultural context they may require additional explanation or interpretation to make them relevant for contemporary audiences So how can a preacher add narrative elements to these stories without diminishing their dramatic impact or changing their meaning Retelling The Story outlines an innovative process for retelling biblical stories that utilizes fictional elements and contexts yet remains faithful to the scriptural text Several creative and homiletical issues are comprehensively examined and six sample sermons are included to illustrate various aspects of this process at work Inject exciting new life into the old old story with this primer for developing dramatic sermons that touch hearts and minds and souls Lange s book is very well connected to recent homiletical literature is well researched deeply biblical and creatively challenging Parish pastors will benefit from this clear and brief presentation of biblical retelling Richard A Jensen Carlson Professor of Homiletics emeritus Lutheran School of Theology at Chicago Larry Lange and his wife Julie Wrubbel Lange serve as the pastors of Grace Lutheran Church in Green Bay Wisconsin Lange is a graduate of Carthage College B A the University of Wisconsin Milwaukee M A the Lutheran School of Theology at Chicago M Div and the Association of Chicago Theological Schools D Min Whatever Happened to Delight? J. Barrie Shepherd, 2006-01-01 Preaching is an art J Barrie Shepherd argues and the sermon is an art form an exercise in creativity and imagination But all too often preaching suffers from a lack of imagination and a loss of the joy and wonder that attracted the crowds to Jesus words two thousand years ago In this book based on his 2003 Beecher Lectures at Yale Divinity School Shepherd hopes to encourage the preacher toward a more creative vision for the sermon His approach is spontaneous eclectic intuitive and daring Shepherd's purpose is to encourage the preacher to think of life as filled with God's presence to search for the presence and to use images and words to unveil that presence The end result is a sermon that is full of astonishment and delight **How to Lead in Church Conflict** K. Brynolf Lyon, Dan P. Moseley, 2012-04-01 The hurts of people often spill over into the life of the congregation causing conflict Your chair of finance is going through a nasty divorce and is mad at God The mother of one of your Sunday School teachers is chronically ill A major factory in your community has relocated taking with it many of your church members jobs Some losses in your own life remain painful and unresolved And you wonder why the church council meetings are so rancorous and your church is mired in unproductive conflict What do you do How should you lead According to Lyon and Moseley conflict is often about ungrieved loss When conflict occurs pastors and other church leaders must know how to be present in the dynamics of grieving loss encouraging space for a new thing to emerge With rich and helpful illustrations this book reveals how leaders can understand group wide dynamics of conflict ground their leadership in the liturgical meanings and rhythms of church life and accompany congregations through potentially destructive realities toward the creative possibilities that conflict can bring Washed and Waiting Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description says author Wesley Hill As a celibate gay Christian Hill gives us a glimpse of what it looks like to wrestle firsthand with God s No to same sex relationships What does it mean for gay Christians to live faithful to God while struggling with the challenge

of their homosexuality What is God s will for believers who experience same sex desires Those who choose celibacy are often left to deal with loneliness and the hunger for relationships How can gay Christians experience God s favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt Weaving together reflections from his own life and the lives of other Christians such as Henri Nouwen and Gerard Manley Hopkins Hill offers a fresh perspective on these questions He advocates neither unqualified healing for those who struggle nor their accommodation to temptation but rather faithfulness in the midst of brokenness I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ Hill writes In so doing they may find as I have by grace that being known is spiritually healthier than remaining behind closed doors that the light is better than the darkness

Ellsworth Kalas, 2003 Careful biblical interpretation insights into contemporary life polished delivery humorous anecdotes these are the building blocks of preaching that genuinely reach people Right Wrong says Ellsworth Kalas We have all encountered preachers who seem to know all the fine points of exegesis and inflection yet whose sermons leave us surprisingly unmoved aware that we were in the presence of good speaking but not great preaching The difference Kalas reminds us lies in that hard to describe yet essential quality known as soul Soul is the collection of those perspectives and convictions that matter most to the preacher Soul preaching means offering one s particular ideas attitudes and convictions fully to the congregation When one preaches with soul one engages the biblical text with the core of one s values and beliefs Soul preaching is in other words simply giving the whole self to the task of proclamation While the concept may sound simple the reality is anything but In the clear insightful style for which he is known Kalas takes readers on a path of discovery

introducing them to the unique gifts that they can bring to preaching and the best way to engage those gifts in preparing and delivering the sermon Levite Praise Cheryl Wilson-Bridges, 2013-01-09 Levite Praise delves deeply into the Scriptures to help worship leaders and worshipers develop a full understanding of what it means to direct and take part in God's perfect model for praise and worship It addresses the differences of opinion on the topic and offers biblical counsel with regard to how praise and worship should be carried out and how its leadership should be organized **Forbearance** James Calvin Davis, 2017 Offers a faithful constructive way to deal with dissent What happens when we approach disagreement not as a problem to solve but as an opportunity to practice Christian virtue In this book James Calvin Davis reclaims the biblical concept of forbearance to develop a theological ethic for faithful disagreement Pointing to Ephesians and Colossians in which Paul challenged his readers to bear with each other in spite of differences Davis draws out a theologically grounded practice in which Christians work hard to maintain unity while still taking seriously matters on which they disagree The practice of forbearance Davis argues offers Christians a dignified graceful and constructive way to deal with conflict Forbearance can also strengthen the church's public witness offering an antidote to the pervasive divisiveness present in contemporary **The Sermon Maker** Calvin Miller, 2009-09-01 Three contemporary humorous parables of a preacher who culture struggles with his need to changeSam the preacher wonders what has gone wrong with his sermons Are people still listening Well known storyteller and communications professor Calvin Miller combines his fiction writing with his insight into preaching to address the changes faced by today s preachers especially the fact that contemporary congregations have shifted to a different way of listening How can Sam recover his passion for preaching In this short entertaining story driven book church leaders will see honest reflections of themselves But the narrative humor also provides a clever way to stimulate thought and discussion on how preachers and preaching are changing Some places in the story will lead to laughter others will cause readers to pause and reflect But whatever the reaction The Sermon Maker leaves the reader encouraged and changed Extensive commentary on the stories provides insight from the author into the best ways to communicate Just as the story in the tremendously popular Who Moved My Cheese impacted readers in the business world who were facing change so this book is designed as a guick but stimulating story for any church leader who preaches or is concerned about the state of preaching today The Abingdon African American Preaching Library Kirk Byron Jones, 2010-10-01 God's people need to hear a word from the Lord to know their God is with them and to transcend this world and be taken to the very feet of Jesus The preacher is charged with assisting in this mission While there may be different theological perspectives and different methods of sermon preparation and delivery one thing remains constant the need for quality preaching resources Drawing upon the rich and powerful tradition of the black church The Abingdon African American Preaching Library offers a wealth of thoughtful biblically grounded preaching aids including special days in the Black Church tradition To read the Introduction to the book click here Nature as Spiritual Practice Steven Chase, 2011-05-17 Chase's innovative work
