**The Wacko from Waco** Carolyn Permentier, 2002-04-25 The primary purpose of this book is to provide a catharsis for myself Maybe if I strip my mental emotional and spiritual selves naked in little one inch strips analyzing what I find there I'll be able to understand myself The secondary purpose is to use myself as a model for what I suspect is going on in the world Mother Earth and all her cells people are undergoing a nervous breakdown I sense The old ways of being and doing are no longer working I feel religion man's beliefs about God is the fundamental cause of our erroneous assumptions about who we are as a species in relation to God Infinite Intelligence As I look around pre and post September 11 2001 I see that warring religious beliefs are at the foundation of the insanity in the world Whatever God is I AM THAT And so are you We're all one Let us minimize our differences and focus on what makes us all human I feel it is life And I further feel that LIFE is sending us urgent messages to unite in Love so we can live in Peace The alternative is to destroy ourselves and each other
