retired I joined a Journal Writers group of senior citizens Each week I had to write and read to the group a page or so telling what had happened to me either during the week previous or sometime in the past I have bundled many of these Episodes into more or less related groups that I call Chapters but the reader may call them Aggregations I sincerely hope not Aggravations The point is I have experienced these Episodes and enjoyed most of them and I hope the Reader enjoys them too whether reading straight through the book or doing random sampling      **When You Take the Wheel** Marlan K.
