Watchtower Study Article 24:

Shutting the Door to the Kingdom of God Eric Michael Wilson, 2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah's Witnesses concerning the Last Days and the good news of salvation are unscriptural. The author, an elder of Jehovah's Witnesses for 40 years, shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ, the overlapping generation doctrine, the failed prophecies of 1925 and 1975, the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile, and most important of all, the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture. He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW.org without sacrificing their faith. This is a must read for any Jehovah's Witness who is a seeker of truth and unafraid to put his or her beliefs to the test. **The Watchtower**, 2004

Jehovah's Witnesses and the Third Reich M. James Penton, 2004-01-01 Using materials from Witness archives, the U.S. State Department Nazi files, and other sources, M. James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism, their leaders were quite prepared to support the Hitler government from publisher description. *The Four Presidents of the Watch Tower Society (Jehovah's Witnesses)* Edmond C. of Paul's Letter to the Romans Rick Jory, 2023-07-10 In the introduction to his commentary on Romans, Martin Luther wrote, "This Epistle is really the chief part of the New Testament and the very purest Gospel and is worthy not only that every Christian should know it word for word by heart but occupy himself with it every day as the daily bread of the soul. It can never be read or pondered too much and the more it is dealt with, the more precious it becomes and the better it tastes." Martin Luther's Commentary on Romans xiii. Luther was right: Paul's letter to the Romans should be the Christian's daily bread for the soul. This book goes through Romans verse by verse, helping us to understand what Christianity is. The focus is on the difference between religion (humanity reaching for God) and Christianity (God reaching for humanity). [The Incarnate Christ and His Critics](#) Robert M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current, comprehensive, and clear defense of the deity of Christ. The central theological claim of Christianity—that Jesus is God incarnate—finds eager detractors across a wide spectrum, from scholars who interpret Jesus as a prophet, angel, or guru to adherents of progressive Christianity and non-Christian religions and philosophies. Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ. Authors Robert M. Bowman Jr. and J. Ed Komoszewski follow the approach of their landmark 2007 study on the same topic, *Putting Jesus in His Place*. They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized: namely, that Jesus shares in the Honors that are due God: Attributes of God, Names of God, Deeds that God does, Seat of God's eternal throne, The Incarnate Christ, and His Critics.

engages objections to the divine identity of Jesus from Jehovah's Witnesses, Mormons, progressive Christians, Muslims, Unitarians and others. Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ.

The End-Of-The-World Delusion Justin Deering, 2012-05
 The End of the World Delusion is a well-written, thoroughly researched and very readable book. Deering's lively narrative makes complex and complicated topics accessible to the average reader. He certainly pulled me into his book despite my cynical view of the topic. Deering offers the reader riveting histories of end-of-the-world beliefs and covers an extraordinary array of ground in this well-researched book, discussing everything from the Mayan end-of-times predictions, Christian rapture beliefs, pandemics, economic doomsday scenarios, and other apocalyptic predictions. Robert Watson, PhD, author/editor of thirty-four books, including The Presidents' Wives and America's War on Terror, notes that people from many different corners of civilization seem to be saying the same thing: the end is near. In The End of the World Delusion, author Justin Deering explores such scenarios, discussing why they are not likely to occur or have any visible impact on this planet within our lifetime. Providing a thorough analysis, Deering chronicles the numerous instances of such predictions throughout history, examines frequent religious and cultural sources of these end-of-world claims, analyzes the sociological and psychological dynamics and dangers, and outlines other forms of end-times beliefs ranging from religious to pop culture in nature. The End of the World Delusion provides concrete information that helps evaluate these dubious assertions, relates how such beliefs have harmed individuals and society, and talks about why people are inclined to nurture such beliefs in the first place. Setting the record straight by detailing the history of failed doomsdays, Deering shows that nothing can be gained by worrying about the end of time and that we must learn a lesson from the past: live in the present and plan for the future.
