Pre-reading activities

What do you do on days when the weather is bad outside?

- The kettle hisses
 Mother moves about the kitchen
 sliding from corner to corner.
 The fire from the stove
 5 pierces into the marrow.
 And mother pushing towards the stove
 warns of the steam.
 My young brother, Thamu, jerks my arm
 violently: Stop leaning on me, your elbow
 10 has sunk into my thigh.
 Apology
 I wasn't aware.
- The kettle sings
 Some distant far-away song?
 15 Mother picks it up
 with an almost tender care.
 Sets me thinking of a war-picture
 The actor carefully setting the charge
 and smiling all the time

Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there
He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room
He is quite surprised when Nanny a goat begins speaking to him Phil finds himself in a land of magic And not a very nice kind
of magic Here when a little girl wants a pony another child loses a pony A group of animal lovers thought it would be a great
idea for animals to have the same rights as people Their misguided idealism put Nanny in the body of a goat and a goat in
Nanny's body Many years before when Phil's grandfather was young he'd visited the land Seemingly just by being there the
land changed for the better Nanny believes Phil could do the same and in the process be the key to getting her body back
Nanny decides to take Phil to the capital A Very Long Summer's Day is the story of their travels through a realm filled with
quirky characters magic and wizards who have their own plans for Phil It's reminiscent of books TV shows and movies that
are fun for all ages as a lot of the references and humor pass over the heads of the younger ones It's sure to become a family
