## Where Are All The Miracles:

**God, Where Are You?** Carlos Mesters, 2003-12-09 God where are you is a question many of us ask at many points in life usually when we don't know what path to take or where to turn in despair In *God Where Are You* Carlos Mesters suggests that to answer this question we should turn to the place turned to again and again throughout history the Bible itself *God Where Are You* provides a way to approach the Bible as millions of ordinary people have for many hundreds of years Carlos Mesters suggests that the Bible can be considered the Christian family album and its contents a guide for discovering who we are where we came from and of course where God is in our lives Scholars may study and debate argue and date searching for the perfect answers to who wrote down which part of the Bible and when but this is not the total of what the Bible is *God Where Are You* shows that it is the people of the Bible and the stories of how God touches them that have the most to tell us Mesters looks at the stories of Adam and Eve Abraham Moses and the prophets as well as the story of Job and the Psalms of David from the Hebrew Scriptures Then he turns to the Gospels the Sermon on the Mount the Parables Miracles and Life of Jesus Throughout he shows how the Bible in speaking about people also speaks about God being always firmly in their midst

**Miracles, Past and Present** William Mountford, 1870      **Miracles and the Miraculous**, 1885      *Radical Miracles in the Marketplace* Ernie Fougere, 2023-02-06 We don't know what we don't know Did you know only your creator knows your future and what it should be like Did you know He already has His plan for your life mapped out before you were even born into this world Did you know that the plan He has arranged for your life is for your own good and not for your disaster in order to give you a future and a hope Did you know all the time you are spending avoiding God He keeps pursuing you Did you know God wants to speak to you intimately one on one the same way He does and is still doing with Ernie Fougere Isn't it high time you get to know more what you don't yet know This book will open your eyes to reality and you will finally get to know and understand Who You Are the real you and the real reason Why You Are Here On Earth Through obedience to God He will become your God Path System in other words your real GPS Are you ready for a radical change in your life Then this is the book for you      **A Course in Miracles** Helen Schucman, Scribe, 2008-05 The only edition that contains in one place all of the writings that Dr Helen Schucman its Scribe authorized to be printed P 4 of cover      ,      *Miracles : 2 Volumes* Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of

global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

**The Peculiar People**, 1895 *Seek and Find* Christian Dubose, 2024-04-03 Christian Dubose provides a good starting point for those seeking the truth of Christianity and its evidence In the introduction he introduces Pascal's Wager and explains why one's heart should be open to the possibility of a God existing He then starts with science going through several scientific findings that suggest a God is real Following this he delves into philosophy explaining that through philosophical reasoning one can know that God exists After this he explores history specifically as laid out in the Bible He explains how prophecies not only show that a God exists but that the God of the Bible is that God He discusses how Jesus's miracles and resurrection are so well attested that they should be believed Dubose also addresses objections to God in each category and provides responses to these challenges Lastly he examines phenomena such as near death experiences prayer studies and modern day miracle reports to argue for the existence of the supernatural At the end of each section on the evidence for God he offers a short list of recommended books for readers interested in furthering their studies
