The Only Other Investment Guide You'll Ever Need Andrew P. Tobias, 1987 Updated with a new introduction on the recent tax law changes this is a comprehensive guide for investors at all income levels written in the witty irreverent and highly readable bestselling Tobias style **The Prudent Investor's Guide to Hedge Funds** James P. Owen, 2001-05-02 Hedge funds are typically thought of as highly risky investments Not so In fact some hedge funds are among the most conservative investments you can make While speculative high flying hedge funds make the headlines others quietly go about the work of crafting unique investment strategies and hedging portfolios against market risk This much needed book shows why affluent investors who want to be financially secure through retirement should know about hedge funds Its blend of facts practical tips and personal insights takes the mystery out of this often misunderstood investment vehicle and reveals the critical questions to ask before you invest James P Owen Santa Barbara CA has more than 30 years of experience in the investment management industry and is Senior Vice President of Broadmark Asset Management Previously he was President of JPO Inc and a partner with NWQ Investment Management Company He is co founder of the Investment Management

Consultant s Association IMCA author of the financial bestseller The Prudent Investor The Definitive Guide to Professional Investment Management and was associate producer of the PBS television series Beyond Wall Street The Art of Investing

**Investment Discipline** Reto R. Gallati, 2012-07-17 Many highly paid investment gurus will insist that successful investing is a function of painfully collected experience expansive research skillful market timing and sophisticated analysis Others emphasize fundamental research about companies industries and markets Based on thirty years in the investment industry I say the ingredients for a successful investment portfolio are stubborn belief in the quality diversification growth and long term principles from Investments and Management 101 Unlike MBA textbooks which tend to be more theoretical Investment Discipline provides more practical insight into what works and what does not based on my own errors and success and includes recommendations of what to repeat and what to avoid Investment Discipline contains no secrets and no magic equations It discusses the most common mistakes and provides advice on how to avoid these errors in order to become a successful investor It will guide you in your decisions from setting up your investment objectives conducting research and buying selling securities to adjusting your portfolio to achieve long term returns that match your personal objectives You will learn how to Define your investment profile and your specific objectives Establish a sustainable investment process based on your objectives Analyze information and perform your own research and Make sound investment decisions Famous investment professionals such as Warren Buffett and Peter Lynch have made mistakes but they did not repeat them They held on stubbornly to their investment approach and showed discipline over a long time period resulting in superior returns Obviously they were lucky as well however they played the numbers right and over time their performance was better than the performance of their peers In Investment Discipline you will learn how to become a successful disciplined investor

**Morningstar Guide to Mutual Funds** Christine Benz, Peter Di Teresa, Russel Kinnel, 2003-02-17 Praise for Morningstar Guide to Mutual Funds Picking actively managed mutual funds is no mean challenge And as the recent era underscores past performance is of little help The Morningstar Guide to Mutual Funds helps cut through the fog with a solid volume of constructive advice The central message truly diversify keep it simple focus on costs and stick with it is not only timeless it is priceless John C Bogle founder and former CEO The Vanguard Group There s nothing Morningstar doesn t know about mutual funds And at last for ready reference there s a book You ll find everything here you need to know about managing fund investments inside or outside a 401 k Jane Bryant Quinn Newsweek columnist and author of Making the Most of Your Money All serious mutual fund investors know that Morningstar is the source of impeccable data and sound investment advice This book is the culmination of nearly two decades of research analysis and good old commonsense wisdom Tyler Mathisen financial journalist CNBC Momentum investing the hype in NASDAQ the dot com mania are mostly behind us Now we must navigate through the market debris We need a compass as we look to allocate our financial resources in a way best suited to maintain purchasing power and fully fund retirement The Morningstar Guide will help investors find true north and

steer a course to reach their long term financial goals Mario J Gabelli Chief Investment Officer Gabelli Asset Management a publicly traded company A generation of investors who took the stock market for granted now know how important it is to understand and control their own investments The Morningstar Guide should be their most important resource Terry Savage Chicago Sun Times financial columnist and author of The Savage Truth on Money
