

Ancient Greece Study Guide

SS3HI The student will explain the political roots of our modern democracy in the United States of America.

- Identify the influence of Greek architecture (columns on the Parthenon, U. S. Supreme Court building), law, and the Olympic Games on the present.
- Explain the ancient Athenians' idea that a community should choose its own leaders.
- Compare and contrast Athens as a direct democracy with the United States as a representative democracy.

SS3GI The student will locate major topographical features.

- Locate Greece on a world map.

*Greece is located in the continent of Europe on the Balkan Peninsula. A peninsula is almost an island, but has one section attached to land.

contribution: the act of giving or doing something

***Ancient Greece was the birthplace of direct democracy.

democracy - government by the people

Direct Democracy: A government in which people vote to make their own rules and laws (they had in Ancient Greece)

Representative Democracy: A government in which people vote for representatives. The representatives make rules and laws that govern themselves and the people. (what we have in the USA)

architecture: the design of buildings

***The architects of ancient Greece used columns and arches in the construction of their buildings. Ancient examples still exist today:

Doric
Types of Greek Columns

Ionic

Corinthian
