inaccessibility and exclusiveness The commercial interest in and profitability of opera do not translate into new popular audiences in the opera house The increased dependency of opera companies on corporate funding in the face of retreating government subsidies may have brought a new elite audience into the expensive seats pandered to by the introduction of surtitles etc but the traditional elite has succeeded in closing down entry to opera in other select venues where opera continues to confirm and maintain their select identity and prestige of their life style **Public Library Catalog** Juliette Yaakov,2004 More than 8 000 books in the main volume More than 2 400 new titles in annual paperbound supplements More than 2 000 analytic entries for items in collections and anthologies *Venice* Barrie Kerper,2002 Each edition of this unique series marries a collection of previously published essays with detailed practical information creating a colorful and deeply absorbing pastiche of opinions and advice Each book is a valuable resource a compass of sorts pointing vacationers business travelers and readers in many directions Going abroad with a Collected Traveler edition is like being accompanied by a group of savvy and observant friends who are intimately familiar with your destination This edition on Venice the Veneto Friuli Venezia Giulia features Distinguished writers such as Jan Morris Francine Prose Fred Plotkin John Lukacs Susan Herrmann Loomis Faith Heller Willinger Frank Prial Susan Allen Toth Mark Bittman Catharine Reynolds Naomi Barry and Edward Behr who share seductive insights into the unique landscapes and cultural treasures of this northeastern corner of Italy including the architectural wonders of Venice the beautiful small towns of the Veneto and the less traveled routes through Friuli Venezia Giulia where food and wine are celebrated every day Annotated bibliographies for each section with recommendations for related readings An A Z informazioni pratiche practical information section covering everything from accommodations and restaurants to acqua alta cooking schools enotechi the euro hiking packing passeggiata tipping tour operators the VAT weather websites and traveling with children Whether it's your first trip or your tenth the Collected Traveler books are indispensable and meant to be the first volumes you turn to when planning your journeys Also in the Collected Traveler series Central Italy Tuscany Umbria Paris Provence Morocco and the forthcoming Northern Spain

Phantasmagoria David Trevor Evans, 1999 This is an exploration of contemporary discourses and practices on and around opera as a cultural form This text examines such areas as high art popular entertainment and star performers The main aim of the book is not to give a history of opera or to be an encyclopaedia of opera but to provide a comprehensive sociological account of opera's current socio cultural standing contemporary representations of opera and opera's fragmented incorporation into mass or popular commercial culture
