The Poet Assassinated And Other Stories:

The Poet Assassinated Guillaume Apollinaire, Ron Padgett, 1985-01-01 **Short Story Index**, 1989 **The Poet Assassinated** Guillaume Apollinaire, 2000 The poet Apollinaire was modernism's first champion and after his early death in 1918 he became its first saint *The Poet Assassinated* Guillaume Apollinaire, 1990 **The Poet Assassinated (Illustrated Edition)** Guillaume Apollinaire, 2020-04 Apollinaire 1880-1918 was a French poet playwright short story writer novelist and art critic of Polish Belarusian descent He is considered one of the foremost poets of the early 20th century and one of the most impassioned defenders of Cubism and a forefather of Surrealism both terms he is credited with coining His play *The Breasts of Tiresias* 1917 is one of the earliest Surrealist literary works He worked as a journalist and art critic for *Le Matin* *L'Intransigeant* *Mercure de France* and *Paris Journal* amongst others and in 1912 cofounded *Les Soirées de Paris* an artistic and literary magazine Two years after being wounded in WWI Apollinaire died in the Spanish flu pandemic of 1918 aged 38 *Le poète assassin* 1916 is a collection of connected short stories which in disguised form tell Apollinaire's own story Reprinted from an English translation with a biographical note of 1923 which includes four illustrations by Andr Derain and a portrait of the author by his friend Andr Rouveyre **All Poets Welcome** Daniel Kane, 2003-03-26 Together with its accompanying CD this text captures the excitement of the vibrant irreverent poetry scene of New York's Lower East Side in the 1960s The text draws from personal interviews with many of the participants from unpublished letters and from rare sound recordings *The Big Something* Ron Padgett, 1990 Ron Padgett's poems are remarkably clear almost invisibly so like a refreshing glass of cold water poems in which he goes nit picking with the OED uses Tulsa plain speak in the diction of Blaise Cendrars turns and looks back at the food he has set out and sees it is a painting by Fairfield Porter builds his wooden dream house and all a little askew as the world is His GREAT BALLS OF FIRE have become indeed THE BIG SOMETHING Poetry **Anthology of Black Humor** Andre Breton, 1997-05 This is the first publication in English of the anthology that contains Breton's definitive statement on humour noir one of the seminal concepts of Surrealism and his provocative assessments of the writers he most admired While some of the authors featured in the *Anthology of Black Humor* are already well known to American readers Swift Kafka Rimbaud Poe Lewis Carroll and Baudelaire among them and even then Breton's selections are often surprising many others are sure to come as a revelation The entries range from the acerbic aphorisms of Swift Lichtenberg and Duchamp to the theatrical slapstick of Christian Dietrich Grabbe from the wry missives of Rimbaud and Jacques Vache to the manic paranoia of Dali from the ferocious iconoclasm of Alfred Jarry and Arthur Craven to the offhand hilarity of Apollinaire at his most spontaneous For each of the forty five authors included Breton has provided an enlightening biographical and critical preface situating both the writer and the work in the context of black humor a partly macabre partly ironic and often absurd turn of spirit that Breton defined as a superior revolt of the mind Andre Breton 1896-1966 the founder and principal theorist of the Surrealist movement is one of the major literary figures of the past century His

best known works in English translation include *Nadja* Mad Love *The Manifestoes of Surrealism* *The Magnetic Fields* with Philippe Soupault and *Earthlight* Mark Polizzotti is the author of *Revolution of the Mind* *The Life of Andre Breton* **The absurd in literature** Neil Cornwell,2013-07-19 Neil Cornwell's study while endeavouring to present an historical survey of absurdist literature and its forbears does not aspire to being an exhaustive history of absurdism Rather it pauses on certain historical moments artistic movements literary figures and selected works before moving on to discuss four key writers Daniil Kharms Franz Kafka Samuel Beckett and Flann O'Brien The absurd in literature will be of compelling interest to a considerable range of students of comparative European including Russian and Central European and English literatures British Isles and American as well as those more concerned with theatre studies the avant garde and the history of ideas including humour theory It should also have a wide appeal to the enthusiastic general reader **The Arcades Project** Walter Benjamin,1999 Focusing on the arcades of 19th century Paris glass roofed rows of shops that were early centers of consumerism Benjamin presents a montage of quotations from and reflections on hundreds of published sources 46 illustrations **Picasso and Apollinaire** Peter Read,2008-04-02 Monografie over de vriendschap en creatieve interactie tussen de Spaans Franse kunstenaar 1881 1973 en de Franse dichter 1880 1918 **Beowulf and Other Stories** Joe Allard, Richard North,2014-04-23 *Beowulf and Other Stories* was first conceived in the belief that the study of Old English and its close cousins Old Icelandic and Anglo Norman can be a genuine delight covering a period as replete with wonder creativity and magic as any other in literature Now in a fully revised second edition the collection of essays written by leading academics in the field is set to build upon its established reputation as the standard introduction to the literatures of the time *Beowulf and Other Stories* captures the fire and bloodlust of the great epic *Beowulf* and the sophistication and eroticism of the Exeter Riddles Fresh interpretations give new life to the spiritual ecstasy of *The Seafarer* and to the imaginative dexterity of *The Dream of the Rood* and provide the student and general reader with all they might need to explore and enjoy this complex but rewarding field The book sheds light too on the shadowy contexts of the period with suggestive and highly readable essays on matters ranging from the dynamism of the Viking Age to Anglo Saxon input into *The Lord of the Rings* from the great religious prose works to the transition from Old to Middle English It also branches out into related traditions with expert introductions to the Icelandic Sagas Viking Religion and Norse Mythology Peter S Baker provides an outstanding guide to taking your first steps in the Old English language while David Crystal provides a crisp linguistic overview of the entire period With a new chapter by Mike Bintley on Anglo Saxon archaeology and a revised chapter by Stewart Brookes on the prose writers of the English Benedictine Reform this updated second edition will be essential reading for students of the period **A Companion to Early Cinema** André Gaudreault, Nicolas Dulac, Santiago Hidalgo,2012-07-02 *A COMPANION TO EARLY CINEMA* This collection of essays by early cinema scholars from Europe and North America offers manifold perspectives on early cinema fiction which perfectly reflect the state of international research Martin Loiperdinger

Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Time, Media and Modernity** E. Keightley,2012-06-29 A wide ranging interdisciplinary exploration of media time and mediated temporalities The chapters explore the diverse ways in which time is articulated by media technologies the way time is constructed represented and communicated in cultural texts and how it is experienced in different social contexts and environments **The Paris Review** ,1984
