English Translation of the Holy Quran Maulana Muhammad Ali, 2011-01-19 Language updated and notes abridged by the Editor The English translation of the Holy Quran with extensive explanatory footnotes by Maulana Muhammad Ali d 1951 was first published in 1917 Due to changes in the usage and teaching of English in the second half of the twentieth century such a reader today is much less familiar with certain forms and styles of literary expression used in the translation than was the case with previous generations To bring the language closer to the general readership it became necessary to replace some expressions by more modern forms This has been my aim in producing the present updated version of the translation

Wace,1876 Decennial Edition of the American Digest ,1928 *The Happiest Time of Their Lives* Alice Duer Miller,2020-09-28 Little Miss Severance sat with her hands as cold as ice The stage of her coming adventure was beautifully set the conventional stage for the adventure of a young girl her mother s drawing room Her mother had the art of setting stages The room was not large a New York brownstone front in the upper Sixties even though altered as to entrance and allowed to sprawl backward over yards not originally intended for its use is not a palace but it was a room and not a corridor you had the comfortable sense of four walls about you when its one small door was once shut It was filled perhaps a little too much filled with objects which seemed to have nothing in common except beauty but propinquity propinquity of older date than the house in which they now were had given them harmony Nothing in the room was modern except some uncommonly

comfortable sofas and chairs and the pink and yellow roses that stood about in Chinese bowls Miss Severance herself was hardly aware of the charm of the room On the third floor she had her own room which she liked much better There was a great deal of bright chintz in it and maple furniture of a late colonial date inherited from her mother s family the Lanleys and discarded by her mother who described the taste of that time as pure but provincial Crystal and ivories and carved wood and Italian embroideries did not please Miss Severance half so well as the austere lines of those work tables and high boys It was after five almost half past and he had said about five Miss Severance impatient to begin the delicious experience of anticipation had allowed herself to be ready at a quarter before the hour Not that she had been entirely without some form of anticipation since she woke up not perhaps since she had parted from him under the windy awning the night before They had held up a long line of restless motors as she stood huddled in her fur trimmed cloak and he stamped and jiggled to keep warm bareheaded in his thin pumps and shining shirt front with his shoulders drawn up and his hands in his pockets while they almost awkwardly arranged this meeting for the next day
