The Revelatorium Of Alpha And Omega:

The Revelatorium Delahnnovahh-Starr Livingstone, 2014-04-20 A brilliantly startling book The Revelatorium reveals the entire Intelligent Design of Creation comprising the actual Principles and Rules by which all of Creation has been blueprinted and expressed and which has never been revealed before Mankind before The Revelatorium is about Reality where Reality includes the nine hundred trillion light year Universe on the other side of the veil *The Revelatorium of Alpha and Omega* Delahnnovahh-starr Livingstone, 2017-05-12 Paperback full color 239 pages The Piscean Age has ended and the Age of Aquarius has arrived The Great Book is being opened at last The great Mysteries of the Cosmos are at long last being revealed The Waters of Truth have begun outpouring and for the next two thousand years you will expand in consciousness all the way At the end of Aquarius you will be back up in the fifth dimension where you belong The Cosmos is not trivial The current Outer Creation is over nine hundred trillion light years across and still within its infancy Every Starr in every galaxy has a potential family of twelve planets Every planet has a population in its fifth dimension The fifth dimension is the bottom line of Creation Similarly Cosmic events are beginning to occur on Earth in great number Including a new twenty five thousand year Dispensary cycle a new two hundred and fifty thousand year Evolutionary cycle a new two hundred and fifty million year Galactic cycle plus a new anti matter Super Universe is starting up in Andromeda by bifurcation with Earth right in the middle of the point of bifurcation You are not on Earth by coincidence The Revelatorium also reveals the Intelligent Design by which all Creation has been blueprinted and expressed The Revelatorium is a given manual for ascension back to the fifth dimension The Revelatorium has a lot to tell you **The Intelligent Design of Creation** Delahnnovahh-Starr Livingstone of Uversa, 2014-12-17 Paperback 372 pages black and white If you are ready to see the Universe through the eyes of people from different solar systems in different parts of the Universe then you are ready to read The Revelatorium because that is exactly what it is The Great Book is being opened at last and the Revelatorium is an introduction It has been said that there are only two kinds of truths those which you read up and those which you make up This is incorrect The two truths are those which Man believes and those which are so in Reality Man believes the Universe is fourteen billion light years across In Reality the Universe is over nine hundred trillion light years across and still within its infancy Likewise Man believes the Universe is complex beyond belief In actuality the entirety of Reality can be summed up in one simple sentence Nothing exists for nothing the Universe is not of itself made and nothing in it has nothing to do Likewise you do not know the true nature of God because you do not know the true nature of Reality You believe that God is a Father Son and Holy Ghost For two thousand years now the answer has been hidden in plain view The last page of the Revelations states I am Alpha and Omega the first and the last and therein lies the rub You do not know who Alpha and Omega are because you do not know the true nature of the Holy Trinity In Reality Alpha is our Father Omega is our Mother and the consciousness of their only Begotten Son Daughter is known everywhere as Christ The three together are known throughout Creation as the Holy Trinity

Unveiling Lord God - Satan William C. Taggart III PhD,2018-09-13 And no marvel for Satan himself is transformed into an angel of light 2 Corinthians 11 14 KJV *Alpha, Omega, Alpha* Don English,2010-05 After studying and preaching Revelation Don English was left with many unanswered questions Given an opportunity by God he spent a full year studying only Revelation reading praying and asking God for answers Believing that God through his Holy Spirit had given him some answers that he could not find elsewhere Don determined to put these answers onto paper and so Alpha Omega Alpha was born A practical common sense approach to the book of Revelation Alpha Omega Alpha is a must read for serious Bible students and new Christians alike Using sound interpretation principles this book will challenge the reader to read more critically the information that God gave to his apostle John Follow along with the author as he reveals the meanings and messages behind the events from the resurrection of the dead and the seven seals to the final battle and the final judgment in one of the Bible s most important books Alpha Omega Alpha will give the reader the zeal and the desire to further study and understand the message from the hand of God **Revelations** David Allen Rigsby,2001-01 I will open my mouth in a parable I will utter dark sayings of old which we have heard and known and our fathers have told us We will not hide them from our children Psalm 78 2 4 Thetruthishere com presents Revelations Alpha and Omega In its opening scene the narrator promises Stories myths and legends I ll show you where they all began And more importantly how they end In fulfilling this promise David Allen Rigsby s epic tale carries the reader on a mythical tour through time and space where the inter relation of religious tales and historical events is revealed The classic struggle between God and Satan proves to be true Gabriel told the prophet Daniel that the understanding of end time prophecy was to be sealed until the end days Are they here Revelations Omega chillingly predicted the terrorist attack on the World Trade Towers and Washington DC So what is next Readers perplexed by the events of today s world can look to Revelations Alpha and Omega for understanding solace and hope Original enlightening and provocative a captivating tale Rigsby s interpretation casts a light on human affairs which is both timeless and timely Henry Berry Editor Publisher The Small Press Book Review *Alpha and Omega* Samuel Henry Hooke,1961 *The Radionnic Ships of the Heavenly Host* Delahnnovahh-starr Livingstone,2017-04-12 The Radionic Ships of the Heavenly Host is a wonderful book for visionaries a book that beautifully illustrates the truth about the Radionic Ships and how close they are to us The author contends that these ships have been hiding in plain sight for thousands of years But most recently in the age of Aquarius these ships have decided to be more revealing to humanity and anyone can see them Delahnnovahh Starr Livingstone leads readers into a stunning discovery with awesome photographic images that will convince anyone that what appears merely as a Chemtrail or cute lamb could actually be something of greater mystery I picked this book out of sheer curiosity but it felt like a powerful mysterious hand drove me to it I have never believed in UFOs or heavenly bodies thrusting through the sky No I have always believed in mysteries that are veiled from human eyes

but this book was able to make me change that belief The author masterfully teaches readers to see beyond the obvious to discover powerful manifestations of The Radionic Fleet of the Heavenly Host in the clouds and does so by providing ample and undeniable proof to readers The images are very powerful and compelling unalloyed and utterly arresting Readers will find the accompanying commentaries very interesting written for the average reader and in compelling prose In this book you will know how to identify a Radionic Ship and determine which kind of ship you are looking at This is a book that is revelatory and entertaining After you read this book you will never see clouds in the same way By Christian Sia for Readers Favorite **Alpha and Omega** Oscar Ingold,1915 *The Intelligent Design of Creation* Delahnnovahh-starr

Livingstone,2017-06-12 By the time you have finished reading the Intelligent Design of Creation you will know for a certainty that a higher dimensional Universe exists Creation is not of itself made nothing exists for nothing nothing in Creation has nothing to do that Creation exists solely though an Intelligent Design formulated by the Creators to expand themselves within themselves according to rule there is aught in Creation not of the Design and you will also know for a certainty that the Creators exist because if there is a Design there has to be a Designer You are not yet aware of the Intelligent Design because you have not yet been made aware of the Principles of Creation Your entire world view is held in a stygian deep of stagnant errant thought known as the Mentalized Illusion The Mentalized Illusion is the accumulated product of your wayward thinking over the last three and a half million years Because of the illusion your current notions about Reality are completely misconstrued You believe the entirety of Creation is a fourteen billion year old Universe In Reality Creation is over nine hundred trillion light years across and still within its infancy You believe that Creation started out with a single big bang just over fourteen billion years ago Creation started from an absolutely single point Point and Center after the ending of the Antiquities of the Silences untold eons ago and has been expanding ever since step by step instead of all at once By work of the Design the Creators have been converting themselves from out their original causeless ill fated formulation of Intelligent Breath and Tiny Particles of Substance into their caused everlasting Trinity formulation of Intelligence Energy and Substance called Creation by their Will Desire and Action The Cosmos is not trivial The current Outer Creation is over nine hundred trillion light years across and still within its infancy Every Starr in every galaxy has a potential family of twelve planets Every planet has a population in its fifth dimension The fifth dimension is the bottom line of Creation Creation in total comprises the fourteenth dimension to the first The Holy Trinity is the entirety of the fifteenth dimension On only a very small handful of twenty five hundred planets does a 3D population also exist in the third dimension ill consequence of the Luciferian Self Will Rebellion of the Cosmic Overplus five billion years ago A mammoth inter dimensional clean up in the aftermath of the Rebellion is already well underway as that you call Armageddon Similarly great 5D cosmic events are beginning to occur on Earth in significant number Including a new twenty five thousand year Dispensary cycle a new two hundred and fifty thousand year Evolutionary cycle a new two hundred and fifty million year Galactic cycle plus a new anti matter Super

Universe is starting up in Andromeda by bifurcation with Earth right in the middle of the point of bifurcation All part and parcel of the out workings of the Intelligent Design You are not on Earth by coincidence The version of the Intelligent Design as revealed herein is in the most simplistic yet comprehensive form ever yet presented in front of Creation The design is dirt simple and able to produce Creative result without limit This Is My Word Alpha and Omega Gabriele,1996-01-01 *The Mystery of the Alpha and Omega* John H. Shumaker,2007-09 Do the Scriptures really identify who the Messiah is and what His role is to be Author John Shumaker takes an in depth look into the original Hebrew Scriptures in his book *The Mystery of the Alpha and Omega* and reveals something hidden for our discovery Proverbs 25 2 says It is the glory of God to conceal a matter But the glory of kings is to search out a matter NASB God has hidden in the original Hebrew text the role of the Messiah the role that Messiah Yeshua Jesus fulfilled to the very letter recorded in the original text In his book *The Mystery of the Alpha and Omega* Shumaker takes us to eighteen of these verses and reveals to us something hidden within the text of the Tanakh Hebrew title of the Old Testament and revealed through the person of the Messiah Yeshua in the New Testament This is truly a scriptural revelation **The Alpha and Omega** Pat Burleigh,2021-04-06 This book is about the amazing revelation of God s plan for the whole world He knows the end from the beginning The first part of the book encompasses all the aspects of salvation and the consequences of not accepting his plan of salvation and obeying his word This is a wonderful eye opening book that enables us to walk through the corridors of time until we see the New Heaven and earth It reveals the contrast between the Old and New Testament This book answers the question of predestination It also shows that the Father Son and Holy Spirit are one unequivocally It tells us what the definition of belief is Scripture interprets scripture With any doctrinal truth scattered throughout the Bible when brought together according to topic there can be no doubts of the truth of each doctrine Part two of the book is all about interpreting the book of Revelation Some of the scriptures have many topics There are seven topics in Revelation 1 4 These are the seven churches grace peace from him which is and which was and which is to come and from the seven spirits I have capitalized REVELATION and each subsequent TOPIC The first time I write the scripture I do not put an asterisk in front of REVELATION After the initial scripture I put an in the front of every scripture REVELATION until all the topics have been exhausted EACH NEW SCRIPTURE IN REVELATION IS CAPITALIZED

The Book of Revelation from Alpha to Omega Roy Martin, 2011-04 The Book of Revelation From Alpha to Omega is like no other book you have ever read It is a book that will take you through the full spectrum of your emotions It will make you want to love hate fight and cry all at the same time It reveals the people side of the book in the Bible that we call Revelations Contrary to what you might believe about God he is people oriented People are the only creatures that God made in his own image So it stands to reason that people are dear to God s heart The Book of Revelation From Alpha to Omega is primarily about people It is about those things that God desires to do for people It is about those things that people will have to deal with if they ignore what God is offering them It is about those things that have happened will happen and are now happening to all nations tribes and tongues It is about the mark of the beast who the beast is what the mark is and the purpose for the mark It is about the war being fought in the arena of commerce a war about which God is trying to warn us in order for us to be prepared It is like a trumpet calling people to prepare for battle which destined to be awesome the likes of which the world has never seen heretofore The author of The Book of Revelation From Alpha to Omega realizes that some will disagree with what he has written He respects your rights to disagree but he does not offer a refund of the purchase price if you disagree with what he has written

The Alpha and the Omega Steven B. Riddley, 2013-10-17 In God We Trust Our nation is undergoing a national reckoning for sins of descendants of generations past The evil done by our descendants are the generational curses that we are now unprepared to accept that is the reality of what these evils of the past we have inherited in our disobedience to the God we profess to serve has now given us over to the enemy of our souls to deliver in masses the souls of this generation into such carnage that will lead to our ultimate destruction Our sins as a church and a nation have found us out Thats why America is on fire and as a recent sign to get our attention nineteen souls were sacrificed in a fiery hell for the injustices not only to our own citizen but around the world as self appointed policemen This is the curse upon us as the scenarios will lead up to God turning our enemies on us until we will no longer exist at all as a nation This article I writing under duress with

tears of sorrow for a once great nation I have been privileged to be born What we see are all the sins of mankind's inhumanity against himself as his sins have found him out What I have been made to see and understand through the inspiration of the Holy Spirit all the sins of mankind are now being exposed and he has no idea of what's behind these tragedies we are now witnessing This is the time Satan has been given to fulfill all things spoken in the scriptures whether you believe or not none will escape the horror We as a nation carrying the title In God We Trust as a professing Christian nation link to the real God we were told to trust in as a nation This covenant was passed to this gentile nation from the Jews that rejected Christ We are that gentile nation the recipients of the Abraham covenant God anointed this nation America with this covenant in its birth In God We Trust to prosper Our legal tender bears the covenant seal with God that has prevented any nation from committing acts of aggression on our soil until Israel was restored as a nation in 1967 that recaptured their capital Jerusalem this gives them biblically full nation status This covenant was made with us for that purpose only Now that has come to pass the last forty years will end with a seven year warning 911 From Sept 11 2001 until that date in 2008 of that year and month we have been protected by God's divine hand holding back what the devil who has already justified before him through the law of sin and death our destruction Man through the enemy of his soul by not knowing what spirit possesses him has reached the point of eminent self destruction of all creation if God would permit it I am somewhat overwhelmed with tears to have to speak such things to a deaf generation of confessing Christians whose lights are out to this world to the point that they would have no hope if God did not intervene to save them Within this covers are the revelations leading up to this end time scenarios May God have mercy on all that call upon his name The Author *Alpha and omega; or, God in human life [sermons]*. William Middleton (Nonconformist minister.), 1897
