T. Assheton, 1828 British Museum British Museum. Map Room, 1885 **Treaties and Other International Acts of the United States of America: Documents 80-121: 1836-1846** United States, 1931 **The War of Chupas (English Edition)** Pedro de Cieza de Leon, Pedro de Cieza de Leon was on the whole the most important historian and is now the best authority on ancient Peru so far as his work has reached us for he was a great traveller and an eye witness of much that he described For all the events at which he was not present he received evidence from many actors in them He was an intelligent observer humane and conscientious

striving after impartiality and though an enthusiastic admirer of the valour and endurance of his countrymen he was horrified at their acts of cruelty which he denounces in no measured terms Unfortunately only one part of his great work was published near the time other parts long lost have been found and published in recent years and some yet remain to be discovered I the first part published in 1553 was the Cronica which is mainly geographical II the second part was the History and Religion of the Incas III the Conquest of Peru IV V VI and VII the Civil Wars viz 1 War of Las Salinas 2 War of Chupas 3 War of Quito and 4 War of Huarina and Sacsahuana III and VII are still lost to us Cieza de Le n also wrote a book entitled Libro de Fundaciones to which he frequently refers the reader for fuller details respecting habits and customs of Indian tribes and other particulars That work is also lost The Council of the Hakluyt Society selected the first part of the Cronica of Cieza de Le n to form a volume of its series in 1864 and the translation and editing were entrusted to me It is a valuable contribution to the geography of the Cauca valley in Colombia and of Peru while the author s account of the coast almost amounts to a book of sailing directions In 1880 II the history of the Incas was brought to light and texts were printed by the late Dr Gonz lez Rosa in 1873 and also by Jim nez de la Espada in 1880 This exceedingly valuable account of Inca civilization was known to Mr Prescott and he frequently quotes from it but he was not aware of Cieza de Le n being the author This part was chosen by the Council to be included in the Hakluyt Society s series in 1883 and I again undertook the work of translation and editing Quite recently three of the volumes on the Civil Wars of Peru by Cieza de Le n have been discovered in manuscript and published at Madrid The War of Quito covering the period from the arrival of the Viceroy Blasco N ez Vela to his death at Anaquito was translated and edited by me forming one of the Hakluyt Society s volumes for 1912 I have also translated and edited the War of Las Salinas giving a detailed account of the dispute between Pizarro and Almagro which ended with the battle of Las Salinas and the execution of Almagro by Hernando Pizarro The present volume by Cieza de Le n is entitled The War of Chupas and contains a detailed narrative of events from the battle of Las Salinas to the final overthrow of the Almagro faction at the battle of Chupas including the murder of Pizarro the arrival of Vaca de Castro as governor the campaign against Almagro the younger the promulgation of the New Laws and the appointment of Blasco N ez Vela as viceroy to enforce them To be continue in this ebook **General Maps of Persia 1477 - 1925** Cyrus Alai,2021-12-06

British Identities and English Renaissance Literature David J. Baker, Willy Maley, 2002-05-16
Though British history and identity in the early modern period are intensively researched areas the role of literature in the construction of Britishness is under examined English history of the sixteenth and seventeenth centuries often overlooks the contribution of Ireland Scotland and Wales to the formation of the British state Historians describe Britain as a multiple kingdom with a long history of conflict In this 2002 volume a team of leading Renaissance literary critics read a broad range of texts from the period including plays of Shakespeare in light of British history Prominent historians respond to the issues raised by the volume This collection opened up a different kind of literary history and has pressing relevance for discussions of Britishness
