The Lost God Of Christ Resurrecting The Truth:

The Lost God of Christ Anthony Fotia, 2015-01-04 In his fascinating new book *The Lost God of Christ* Anthony Fotia unravels the mystery of how the teachings of Jesus were cast aside to create room for the doctrine of the Trinity also known as the Godhead This manmade doctrine while having defined mainstream Christianity for centuries isn't supported by Christ's words specifically or the Bible generally The Trinity presupposes the existence of a God with one essence but three persons but Jesus never claimed equality with his Father and the Spirit is elevated to a level fully unknown in Scripture Written for believers as well as anyone interested in religious history this book systematically unravels the tapestry on which the Trinity has been hung to reveal the true intent of Jesus In the process it also dismantles the very foundation on which the Oneness doctrine rests The Oneness doctrine asserts that God has revealed himself in three modes first as the God of the Old Testament then as Jesus and finally as the Holy Spirit This modern form of the ancient heresy known as modalism while not as widely held as the Trinity doctrine is as misguided today as it was when it first saw daylight in the early years of the church Through a careful and thought provoking process Fotia fearlessly restores not only God but also God's name Yahweh to its full glory as intended in Scripture In the process he reveals the true heart of Jesus as it pertains to his Father and to his followers Discover what Jesus meant when he said Why do you call me good No one is good except God alone Luke 18:19 Trust in God and trust also in me John 14:1 I am going to the Father who is greater than I am John 14:28 I am ascending to my Father and your Father to my God and your God John 20:17 You must love Yahweh your God with all your heart all your soul and all your mind This is the first and greatest commandment Matthew 22:37-38 Detractors of the Trinity call it warmed over polytheism Trinitarians call the Oneness doctrine heretical They both right and wrong Fotia uncovers the truth in an easy to read style that is sure to captivate even the most novice students of the Bible Come on a journey of discovery and learn what Christ believed and taught to his followers about God his God **God's Grand Design** William R.

Arnold, 2021-06-30 *God's Grand Design* By William R Arnold Edited by Ms Aurora Payad Arnold *God's Grand Design* is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man's journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God's will from man's will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new

human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man s flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God s truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind s dumbness to defeat death And then man can become worthy of receiving God s rewards of paradise in heaven or heaven on earth *The Sacrifice of Christ: an Inquiry Into the Fact and the Doctrine of the Christian Atonement* Charles WILLIAMS (Baptist Minister.),1858 **The Sacrifice of Christ; an Inquiry Into the Fact and the Doctrine of the Christian Atonement** Charles Williams (Minister of St. John's Wood Congregational Church.),1858 *God's Mystery That Is Christ* Seok Lyun Chang Soppe,2014-04 At some point during our religious maturation we have to ask ourselves how much do we really know God What phase is our faith in And are we spiritually dead or alive This book was written for those on a quest to make a connection with God The purpose of this book is to support the readers relationship with Christ It is meant to be read along with The Holy Bible and not in place The objective is to stir our preconceptions about biblical truths so that we may be able to discern God s intent with the Spirit of Truth When people ready the Bible receptively they will find that it gives a feeling of transcendence This book is a great guide for the spiritually thirsty It is a must read for all those seeking the Truth The deep intentions within God s Word are revealed to those who eagerly search for it Rev B So Jin Church of True Life **The Truth** Laurel,2005 The Truth is the award winning first book in The Oracle Institute foundational trilogy It presents a summary of the divine messages sent to us by God through the Prophets When studied successively these spiritual lessons form a Tower of Truth that should not be broken or interpreted along sectarian lines Instead these Truths should be assimilated into a contemporary spiritual and scientific database and shared by everyone regardless of religious affiliation The Truth explores the five primary religions that evolved after the Prophets died Hinduism Judaism Buddhism Christianity and Islam to determine whether these manmade religions have remained faithful to the Truth including the primordial Truth that God is half masculine and half feminine energy The Truth reveals that mankind has built a Tower of Babel with God s messages Moreover these now ancient religions have polarized humanity and brought us to the brink of World War III The book also includes an objective template for measuring the adequacy of any religion and an Appendix that shows the nexus between politics and religion and politics thought human history *The Bible Christian magazine, a continuation of the Arminian magazine* Bible Christians,1878 **The True History Of Jesus** Elijah Muhammad,2008-11-14 A True History of Jesus his birth death and what it means which also goes into symbolic interpretation of his second coming and how it relates to black people in America This title was originally written by Elijah Muhammad in the Nation of Islam s official newspaper Muhammad Speaks as a 22 part series This book is the complete series The history of Jesus Joseph his real father and mother Mary is given an exceptional analysis in the

Carpenter,1999 Publicly humiliated by the Scopes monkey trial of 1925 fundamentalism in America seemed extinct by the end of the 1920s and then all but invisible to the mainstream until evangelists like Billy Graham gave new life to the movement in the popular revivals of the 1940s and 50s Here Joel A Carpenter illuminates these hidden years in the fundamentalist movement s history and in doing so provides answers to the riddle of its survival Blending painstaking

research telling anecdotes and astute analysis Carpenter brings this era into focus for the first time ever He shows that contrary to the popular opinion of the day fundamentalism was alive and well in America in the late 1920s and used its isolation over the next 20 years to build new strength from within Taking a reasoned objective approach to a topic frequently reduced to caricature Revive Us Again gives us a fresh look at the continuing influence of American fundamentalism an influence still evident in today s newspapers and cable TV newscasts

Light for the Journey Robert T. Gamba,2012-10 2ND PETER 1 19 And so we have the prophetic word confirmed which you do well to take heed as a light that shines in a dark place There is a Light at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of all hope that is willing and able to take us home even through our darkness nights Two choices two roads with two different destinations but there is only one journey EPHESIANS 1 18 The eyes of your understanding being enlightened that you may know what is the hope of His calling

Why I Have To Die Like Jesus And Louis Riel? James Prince,2014-06-11 Dozens of writers wrote about the life the death and the career of Louis

Riel but they have mainly written about his political activities and his rebellions I will talk to you mainly about his relationship with God and that he had the same preoccupations as Jesus had in this world meaning to free his people from the slavery of sin and the slavery of religion and to lead his people to God Louis Riel understood just like Jesus did that religions mainly the one that has its head in Rome are a dreadful slavery and we definitely have to separate from them This is the reason the John A Macdonald s government pressed by the Christian churches found a way to eliminate him from this earth despite the protestations against this from all over So Louis Riel had to go through the same destiny as the one who inspired him Jesus of Nazareth and this is why I expect the same conclusion for myself because I do the same thing they did meaning opening the eyes of the blind Fortunately for the world and thanks to God a bit of salt and a gleam of light made their way to me So in one way I ll be able to continue the work of Jesus s disciples and this is what I m doing with the help of my books
