*A "Temporary Gentleman" in France* A. J. Dawson, 2022-06-02 Exploring the fragmented realities of war through the intimate medium of epistolary narrative *A Temporary Gentleman in France* offers a poignant glimpse into the lives of soldiers during the Great War A J Dawson provides the literary world with heartfelt missives detailing the experience of a Temporary Officer stationed with the New Army With a nuanced blend of raw emotion and the sober facts of warfare Dawson illuminates the ordinary soldier s perspective against the broader canvas of global conflict His work resonates within the literary tradition of wartime correspondence evoking comparisons to the candid reflections of such World War I contemporaries as Siegfried Sassoon and Wilfred Owen The seemingly informal style belies the depth and gravity of the content offering insights into both the mechanics of war and its human cost A J Dawson whose literary contributions have been somewhat overshadowed by his peers nevertheless provides a valuable voice from the era His personal connection to the war manifesting through the veil of fiction suggests a profound engagement with the themes of bravery camaraderie and the transient identity of the Temporary Gentlemen Dawson s own experiences potentially inform this sympathetic portrayal bringing authenticity to the characters within this series of letters The author s intent to build a bridge of shared experiences across the Atlantic speaks to his recognition of the universality of wartime hardship and the solidarity among soldiers irrespective of nationality *A Temporary Gentleman in France* is a recommended read for those captivated by personal histories of the First World War It offers readers a window into the everyday struggles and triumphs of soldiers through refined prose Academics and amateur historians alike will find the text a valuable addition to the corpus of World War I literature delivering an emotionally resonant experience that underscores the sacrifice and fortitude of the generation that fought in the trenches of Europe The accessibility of Dawson s style matches the universal relevance of his

subject matter ensuring that this book will continue to resonate with anyone seeking to comprehend the human aspects of war     A Temporary Gentleman Goes to War N. P. Clarkson,19??     "A person may die and live again" Sabine Reiser,2015

Sniper on the Ypres Salient Sue Boase,William McCrae,2022-12-01 Just after midnight on 22 April 1916 on the Western Front a sergeant from the 15th 1st London Royal Welsh Fusiliers came sliding and stumbling along the dark mud filled trench towards the four men huddled together and soaked through in the shallow dugout He was clutching his postbag in which there were four parcels for one of them William McCrae whose twentieth birthday fell on this day A hand written account by William my grandfather was found in my mother s papers long after his death This book describes a year of his time fighting in the First World War from December 1915 to December 1916 Two months after his birthday he was marching towards the Somme where he was to act as a runner during the key Welsh engagement in the Battle of Mametz Wood Later he went on to volunteer and train as a sniper He continued in this role for over a year becoming a lance corporal in the 38th Divisional Sniping Company while fighting on the Ypres Salient His words emphasise the key role snipers played in the collecting of intelligence about the enemy through close observation and careful reporting His account stops abruptly in mid sentence just at the point where he indicates he is about to reveal more to us about a new interesting part of the line to be manned by us Snipers Piecing together clues from his sketches maps and photos and this book paints a picture of Williams time during the rest of the war In 1917 he returned to England to train as a temporary officer in the 18th Officer Cadet Battalion at Prior Park Bath He came back to the Western Front as a 2nd Lieutenant in the Duke of Wellington s West Riding Regiment where he was seconded to the 1 5 Lancashire Fusiliers until the end of the war During this time it is likely that his interest and experience as a sniper continued with evidence that he may have taught at one of the Sniping Schools set up across France     **Masculinity and Identity in Irish Literature** Cassandra S.
