## **The Unauthorized Version Truth And Fiction In The Bible:**

**The Unauthorized Version** Robin Lane Fox, 2006-07-06 The Bible is moving inspirational and endlessly fascinating but is it true Starting with Genesis and the implicit background to the birth of Christ Robin Lane Fox sets out to discover how far biblical descriptions of people places and events are confirmed or contradicted by external written and archaeological evidence He turns a sharp historian's eye on when and where the individual books were composed whether the texts as originally written exist how the canon was assembled and why the Gospels give varying accounts even of the trial and condemnation of Jesus

**The Evolution of Love** Sheldon W. Liebman, 2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God's commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God

**The Rescue of Jerusalem** Henry T. Aubin, 2003-07-01 This little known story of biblical times is one of those contingent moments in world history on which whole civilizations pivot The Globe and Mail Toronto At the turn of the eighth century BC a mighty Assyrian army entered Judah and fought its way to the very gates of Jerusalem poised the prophet Isaiah warned to smash the city as easily as someone hurling a clay pot against the wall But the assault never came Instead the Assyrian army turned and fled an event that has been called the Deliverance of Jerusalem Whereas biblical accounts attribute the Assyrian retreat to divine intervention this account offers an explanation that is miraculous in its own light The siege was broken by the arrival of an army from Kushite Egypt an army that is made up of black Africans These Kushites figured in historical texts the author reveals until the late nineteenth century when racist scholars expunged them from the record a process that coincided with the European conquest and colonization of Africa The Kushite intervention assured the survival of the Hebrew people and this book is a fresh and fascinating look at this chapter in biblical history and a joy to read South Florida Sun Sentinel

**A Zeal for God Not According to Knowledge** Eric Snow, 2005-03 Are the Jewish arguments against belief in Jesus as mankind's Savior any good Is Jesus Christ the promised Messiah of the Old Testament's prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have

converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can be dismissed lightly Using solid scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michael Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also

**Walking Away from Jesus - Leaving Christian Conservative Evangelical Fundamentalism** Robert

Laynton, 2013-03-17 What is it like to walk away from a close knit fellowship into the wider world of unbelievers What is it like to walk away from Jesus In this book Robert Laynton takes you on a journey out of conservative evangelicalism describing both his personal experience and his theological rationale for leaving the faith It is a journey that took him over forty years to complete and one that takes some surprising twists and turns This second edition has been thoroughly updated revised and expanded in order to bring the author's story up to date and to include material on inner spirituality and mysticism

**Anthropomorphic Depictions of God** Zulfiqar Ali Shah, 2012-01-01 This monumental study examines issues of anthropomorphism in the three Abrahamic Faiths as viewed through the texts of the Hebrew Bible the New Testament and the Qur'an Throughout history Christianity and Judaism have tried to make sense of God While juxtaposing the Islamic position against this the author addresses the Judeo Christian worldview and how each has chosen to framework its encounter with God to what extent this has been the result of actual scripture and to what extent the product of theological debate or church decrees of later centuries and absorption of Hellenistic philosophy Shah also examines Islam's heavily anti anthropomorphic stance and Islamic theological discourse on Tawhid as well as the Ninety Nine Names of God and what these have meant in relation to Muslim understanding of God and His attributes Describing how these became the touchstone of Muslim discourse with Judaism and Christianity he critiques theological statements and perspectives that came to dilute if not counter strict monotheism As secularism debates whether God is dead the issue of anthropomorphism has become of immense importance The quest for God especially in this day and age is partly one of intellectual longing To Shah anthropomorphic concepts and corporeal depictions of the Divine are perhaps among the leading factors of modern atheism As such he ultimately draws the conclusion that the postmodern longing for God will not be quenched by pre modern anthropomorphic and corporeal concepts of the Divine which have simply brought God down to this cosmos with a precise historical function and a specified location reducing the intellectual and spiritual force of what God is and represents causing the soul to detract from a sense of the sacred and thereby belief in Him

**God's Fingerprints, Second Edition** Trevor

Watts,2013-02-20 God's Fingerprints seeks to show why Christianity is the only rational faith system appropriate to the universe we inhabit The super person of God the Holy Trinity alone will suffice Starting from scientific tools that we all may use and constraints to which we all are subject God's Fingerprints moves to the very simple evidence of everyone's experience arriving at the question of our origins possible religious and philosophical views we may adopt and the central questions of truth and morals *The Myth of Saint Thomas and the Mylapore Shiva Temple* Ishwar Sharan,2019-06-20 Comprehensive study of the St Thomas in India myth with reference to Christian iconoclasm in South India from the 7th century till today Reviews and related material for this book can be accessed on the Acta Indica website at <https://ishwarsharan.com> The copyright of this book belongs to Voice of India 2/18 Ansari Road New Delhi 110002 The Creative Commons licence for this book is Attribution NonCommercial NoDerivs CC BY NC ND *Freedom from Religion* Noel McGivern,2013-10-18 Why is belief a useless guide to truth Why do we need to understand the danger of religious identity Was Moses a ruthless psychopath What led to the Catholic Church's moral cowardice over the Nazis and child abusing priests How harmful have Islamic interpretations been for women in Arab countries What are the best answers to claims the Bible is inerrant Are spiritual experiences just products of the mind *Freedom from Religion* explores the evidence and makes a powerful case for walking away from religion It's a guide for those defending non belief and deeply challenging to those within religion Constantine and the Council of Nicaea David E. Henderson, Frank Kirkpatrick,2016-10-25 Constantine and the Council of Nicaea plunges students into the theological debates confronting early Christian church leaders Emperor Constantine has sanctioned Christianity as a legitimate religion within the Roman Empire but discovers that Christians do not agree on fundamental aspects of their beliefs Some have resorted to violence battling over which group has the correct theology Constantine has invited all of the bishops of the church to attend a great church council to be held in Nicaea hoping to settle these problems and others The first order of business is to agree on a core theology of the church to which Christians must subscribe if they are to hold to the true faith Some will attempt to use the creed to exclude their enemies from the church If they succeed Constantine may fail to achieve his goal of unity in both empire and church The outcome of this conference will shape the future of Christianity for millennia Free supplementary materials for this textbook are available at the Reacting to the Past website Visit <https://reacting.barnard.edu/instructor/resources> click on the RTTP Game Library link and create a free account to download what is available **The Southern Subculture of Drinking and Driving** Julian B. Murty,2021-12-24 First published in 1996 The Southern Subculture of Drinking and Driving is part of the Criminal Justice series Volumes in the Current Issues in Criminal Justice series focus on scholarship original thought and research and readability This one is no different Julian B Roebuck and Komanduri S Murty have produced a volume that will be of vital interest to those who study and create policy on drunken driving one of the more enduring social problems of the past two decades The volume has two major components that make it unique in the drunken

driving literature First Roebuck and Murty focus on drunken drivers themselves and through the use of a large dataset add to our knowledge of that group of people by describing their characteristics Second and perhaps more important Roebuck and Murty delve into the phenomenology of the drunken driver through a lengthy interview process *Augustine's City of God* Gerard O'Daly, 2020 b The most influential of Augustine's works iCity of God i played a decisive role in the formation of the Christian West b Augustine wrote City of God in the aftermath of the Gothic sack of Rome in AD 410 at a time of rapid Christianization across the Roman Empire Gerard O'Daly's book remains the most comprehensive modern guide in any language to this seminal work of European literature In this new and extensively revised edition O'Daly takes into account the abundant scholarship on Augustine in the twenty years since its first publication while retaining the book's focus on Augustine as a writer in the Latin tradition He explores the many themes of City of God which include cosmology political thought anti pagan polemic Christian apologetic theory of history and biblical interpretation This guide therefore is about a single literary masterpiece yet at the same time it surveys Augustine's developing views through the whole range of his thought As well as a running commentary on each part of the work O'Daly provides chapters on the themes of the work a bibliographical guide to research on its reception translations of any Greek and Latin texts discussed and detailed suggestions for further reading

**Books-in-Brief: Anthropomorphic Depictions of God** Zulfiqar Ali Shah, 2012-01-01 This monumental study examines issues of anthropomorphism in the three Abrahamic Faiths as viewed through the texts of the Hebrew Bible the New Testament and the Qur'an Throughout history Christianity and Judaism have tried to make sense of God While juxtaposing the Islamic position against this the author addresses the Judeo Christian worldview and how each has chosen to framework its encounter with God to what extent this has been the result of actual scripture and to what extent the product of theological debate or church decrees of later centuries and absorption of Hellenistic philosophy Shah also examines Islam's heavily anti anthropomorphic stance and Islamic theological discourse on Tawhid as well as the Ninety Nine Names of God and what these have meant in relation to Muslim understanding of God and His attributes Describing how these became the touchstone of Muslim discourse with Judaism and Christianity he critiques theological statements and perspectives that came to dilute if not counter strict monotheism As secularism debates whether God is dead the issue of anthropomorphism has become of immense importance The quest for God especially in this day and age is partly one of intellectual longing To Shah anthropomorphic concepts and corporeal depictions of the Divine are perhaps among the leading factors of modern atheism As such he ultimately draws the conclusion that the postmodern longing for God will not be quenched by pre modern anthropomorphic and corporeal concepts of the Divine which have simply brought God down to this cosmos with a precise historical function and a specified location reducing the intellectual and spiritual force of what God is and represents causing the soul to detract from a sense of the sacred and thereby belief in Him Nativity: The Christmas Story, Which You Have Never Heard Before Richard R. Racy, 2007-11 Sometimes reading like a historical novel or

a forensics detective story a melodrama or a scientific adventure Nativity takes the reader on a fast awesome ride of discovery into the real history and real people behind the birth of Christ Nativity is the ideal reference for pastors students and laymen combining scholarly depth and reliability in a popular writing style easily accessible to all with references for independent study New elements of meaning and relevance to the Nativity Scientific evidence virgin births occur as often as identical twins but Jesus was one of a kind The life and death drama behind Joseph and Mary rarely told The real events of Bethlehem and Nazareth Herod amazing genius whose architecture excelled Rome and kept his murdered wife in a jar of honey Was Jesus incarnated from the time of the Fall Is the Christmas tree a pagan idol or a biblical image of the Tree of Life While vigorously defending the traditional faith Richard Racy gives new insights and new theological perspectives guaranteed to inform and provoke while entertaining in a major new work on the birth of Jesus Christ

**Can Christians Prove the Resurrection?** Sandoval Chris Sandoval, Chris Sandoval, 2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In Can Christians Prove the Resurrection the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place

**Manifest Insanity** Diogenes of Mayberry, 2019-08-14 Manifest Insanity is an irreverent social commentary that traces the history of Judeo Christian doctrines and how they have evolved over the centuries impudently contradicting the perception that these established beliefs were original to their traditions and specifically challenging the evangelical Christian concept of literal inerrancy The historical information is presented in an informal but polemical conversation between teachers and students in a Christian high school as they move from class to class throughout the day The narrative exposes some of the historical misunderstandings and outright doctrinal forgeries that the Religious Right trumpets in their attempts to force their morality on mainstream society Woven into the story is a satirical re imagining of Dr Strangelove as modern day liberal secularism replacing the Soviet paranoia of the Cold War era fuels the right wing hype of a godless society on the road to hell The Four Horsemen of New Atheism Dawkins Dennett Harris and Hitchens have demonstrated in this new era of confrontational tactics that no longer will secularists smile politely and remain respectfully silent of religious beliefs but will stand up and challenge the irrationality of blind faith Following their lead Manifest Insanity

is a scathing indictment of the Christian Right and their attempts to hijack school boards in order to indoctrinate children using the public school system *Manifest Insanity* is a thoroughly researched insightful thought provoking and comprehensive analysis of the religious history that shaped the political and social views of American evangelical Christians yet an entertaining humorous and accessible read *The Great Betrayal* Sheldon W. Liebman, 2018-11-27 In the view of many contemporary scholars both Jesus and Judaism have been misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law abiding Jew his entire life However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de Judaization of Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the life of the church Doctrine James Wm. McClendon JR., 2011-07-01 Christian doctrine McClendon tells us is no laundry list of propositions to be believed but is rather an essential practice of the church Doctrines are those shared convictions which the church must teach and live out if it is to be the church The author rejects the prevailing assumptions stemming from the rationalism of the Enlightenment and redefines theology as a discipline within the context of particular religious beliefs and practices of concrete believing communities McClendon ties the reading of Scripture to the community's understanding of itself and its own mission **From Feasting To Fasting** Veronika Grimm, 2002-11-01 In this highly original study Veronika Grimm discusses early Christian texts dealing with food eating and fasting Modern day eating disorders often equate food with sin and see fasting as an attempt to regain purity an attitude which can also be observed in early Christian beliefs in the mortification of the flesh Describing first the historical and social context of Judaism and the Graeco Roman world the author then proceeds to analyse Christian attitudes towards food Descriptions of food found in the Pauline Epistles the Acts of the Apostles Tertullian or Augustine are compared to contemporary Jewish or Graeco Roman pagan texts Thus a particular Christian mode of fasting is elaborated which influences us to the present day ascetic fasting for the suppression of the sexual urges of the body Winner of the 1995 Routledge Ancient History Prize *The Nearest Thing to Life* James Wood, 2015-04-28 In this remarkable blend of memoir and criticism James Wood noted contributor to the New Yorker has written a master class on the connections between fiction and life He argues that of all the arts fiction has a unique ability to describe the shape of our lives and to rescue the texture of those lives from death and historical oblivion The act of reading is understood here as the most sacred and personal of activities and there are brilliant discussions of individual works among others Chekhov's story *The Kiss* W G Sebald's *The Emigrants* and Penelope Fitzgerald's *The Blue Flower* Wood reveals his own intimate relationship with the written word we see the development of a provincial boy growing up in a charged

Christian environment the secret joy of his childhood reading the links he makes between reading and blasphemy or between literature and music The final section discusses fiction in the context of exile and homelessness The Nearest Thing to Life is not simply a brief tightly argued book by a man commonly regarded as our finest living critic it is also an exhilarating personal account that reflects on and embodies the fruitful conspiracy between reader and writer and critic and asks us to reconsider everything that is at stake when we read and write fiction
