

A movie poster for the film 'Outlanders: Terminal White'. The background is a dramatic, cloudy sky in shades of blue and white. In the foreground, a man with dark hair and a serious expression is shown from the chest up, wearing a light blue jacket. He is holding a black handgun in his right hand, pointing it towards the right. To his right, a woman with long, flowing red hair is shown from the chest up, also wearing a light blue jacket. She has a determined expression and is looking directly at the viewer. The title 'Outlanders' is written in large, bold, red letters across the top. Above the 'O' in 'Outlanders' are three small red circles. Below the title, the words 'TERMINAL WHITE' are written in red, and below that, the tagline 'THE OLD ORDER HAS A NEW PLAN TO ENSLAVE HUMANITY' is written in white.

southern Georgia of 1950 Murphy Station is a community marked only by two country stores two Baptist churches and a graveyard Farming is the way of life and segregation is in full force Welcome to Deep Dixie David Donovan is a young white boy growing up in Murphy Station where even the best farmers are cash poor and those who work for them usually blacks are poorer still In adult conversation the main topics are weather crops and politics Within the last category it's agreed that the main threats facing America are two communism and integration So far as young Dave knows this isn't unusual but already there are changes afoot In this richly detailed memoir laced with both humor and tragedy we see how those changes affect Dave in subtle but ultimately profound ways Coming of age in a world with the axiom no boy a chicken no man a coward Dave has the sorts of boyhood adventures common to the rural South exploits with firearms encounters with angry animals challenges from friends and a growing interest in girls As he has these adventures he also works in the field alongside black farmhands some of whom teach him vital lessons about the realities of their lives lessons that begin to challenge the prejudices and preconceptions of his time and place By the late 1950s the civil rights movement has become a major force in the South yet as David enters high school in 1960 the customs of segregation still hold sway persisting even when he leaves for college In his first year away from home he witnesses the national trauma of the Kennedy assassination which blunts the promises of Camelot In Vietnam a few years later he sees those promises collapse entirely Returning in 1970 to a Murphy Station much changed from what it was twenty years earlier David Donovan finds himself transformed as well Book Jacket **Arihant Reprogrammed (Part 4)** Shubhan Balvally, 2024-06-18 Computer scientist Suraj Singhania

Chief Investigator of Nordland Police Jakob Weber is drawn into a complex case when a teenaged girl goes missing in Northern Norway and a second woman disappears from a remote island in similar circumstances. FIRST in a compelling dark new Nordic Noir series. Provides a boilerplate for anyone wishing to write a Scandi crime novel. Weber, a dagger in a velvet sheath, is an engaging character discerning readers will wish to meet him again. Mark Sanderson, The Times Atmospheric Crime Monthly. Jakob Weber is a great protagonist and the sense of place is phenomenal. The perfect start to a series destined for greatness. Thomas Enger. This is first class Nordic Noir from the real North where danger lurks around every corner. Gunnar Staalesen.

_____ In Norway's frozen north, it's not just secrets that are buried. When nineteen-year-old Iselin Hanssen disappears during a run in a popular hiking area in Bodø, Northern Norway, suspicion quickly falls on her boyfriend. For investigator Jakob Weber, the case seems clear-cut, almost unexceptional, even though there is some suggestion that Iselin lived parts of her life beneath the radar of both family and friends. But events take a dramatic turn when another woman disappears in similar circumstances, this time on the island of Røst, miles off the Norwegian coast. In the wild ocean, rumours that a killer is on the loose begin to spread, terrifying the local population and leading to wild conspiracies. But then Jakob discovers that this isn't the first time that young women have vanished without a trace in the region and it becomes clear that someone is hiding something and another murderous spree may have just begun. For fans of Joe Pickett, Ragnar Jonasson and Jørn Lier Horst.

_____ Dark and totally gripping adds a new dimension to the police procedural which goes beyond the standard elements of the genre. Ewa Sherman, European Literature Network. What readers are saying: Multiple theories and suspects keep us on edge until the very end. Impossible to put down. The spectacular setting is a character in its own right. Quirky, believable characters and some of the most breathtaking descriptions of Northern Norway that I've ever read. Simply superb, both creepy and thrilling. An incredible addictive start to a new series. **Stuck!** Josh Miller, 2019-04-22
