Thompson,2022-02-01 Prayer meetings are no longer held at many churches and sparsely attended at others and when held are often dry and uninteresting Why Lack of clear biblical leadership has largely been the fault It is hardly possible to over estimate the value of the prayer meeting as it stands related to the life and usefulness of the Church of Christ In fact no other service can be compared with this in importance for without a live prayer meeting the church will be spiritually cold the Sabbath services will be formal or in some cases too informal and the children will be fed with husks instead of provisions from the Master s table In this book Lewis Thompson beautifully and clearly offers solutions to the age old complaints about prayer meetings No more must prayer meetings be given a backseat in the list of priorities in churches today In the chapters of this book Thompson addresses topics such as The Importance of Prayer Meetings How to Make Prayer Meetings Interesting Helps to Speaking in Public Songs and Singing How to Secure Prayer Meeting Attendance The Need for Preparation Topics and Illustrations Bible Readings How to Keep the Prayer Meetings Hot and more *Tarbell's Teacher's Guide to the International Sunday-school Lessons for 1912, 1914* Martha Tarbell,1913

Church of England sunday school monthly magazine for teachers ,1859 *Opening the Parables* M. D. Hayden,2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament *Opening the Parables* is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here

and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters      Bible Studies from the Old and New Testaments George Frederick Pentecost, 1887
