Lost, Hidden, Small Kate Haynes Murphy, 2025-10-14 I loved this book for its wisdom message and welcome its depth and its many charms especially the clear and deeply human voice of the author Pastor Kate ANNE LAMOTT In this stirring book of spiritual formation a pastor asks What if the abundant life lies in finding what's been lost uncovering what is hidden and learning to hope in what is small The Christian industrial complex teaches us that whatever is centered celebrated and large is a movement of God and that Jesus is at work in existing structures So why are we surprised that many churches are obsessed with power size and reputation and that people are leaving them in droves Jesus warned us not to expect his reign to resemble the empire He knew it would be hard for us to recognize true faithfulness so he gave us sacred stories In parables we learn of lost coins and sheep and people being found of hidden treasure being uncovered and of small and weak things that heal and transform In the tradition of clergy writers like Barbara Brown Taylor and Gregory Boyle pastor Kate Murphy excavates the wisdom of Jesus's parables She tells stories of failures in the dominant church of broken places within herself and of an exploding watermelon that sends her over the edge Through practices like shalom kinship surrender failure and humility we find our lost selves in Christ seek a God who hides and see the glory of infinitesimal things Living faithfully in a culture of violence hierarchy and supremacy Murphy maintains means following Jesus into weakness loss and even despair But this is not some bitter prescription for a dying church It's the story of how sometimes what seems undesirable

actually satisfies Sometimes what looks as if it will diminish you ends up being what saves Sometimes following the way of Jesus means letting yourself be astounded by the authentic grace of what is lost hidden and small Sharing the Spirit Sue Ann Kawecki,2001 Sharing the Spirit for and by cheerleaders dancers and coaches is the first compilation ever of stories and poems for the spirit athlete The book is comprised of 276 pages chockfull of motivation and inspiration All 133 stories and poems have been written by either former or current cheerleaders dancers and coaches The book is broken down into ten chapters for easy reading The chapters are as follows Team Believe Spirit Coach Hit It for cheerleaders Just Dance Teammates Success Let s Hear It for The Boy exclusively for male cheerleaders and dancers Making It Big written by professional sports teams cheerleaders If you have aspirations of becoming a cheerleader dancer or a coach you ll find just more reasons to go for it after reading this book You ll find words of advice from those who have been there and done that and who share your very passion Many of the bigwigs of the spirit industry have contributed their stories and poems to STS and all the companies of the industry are accounted for Or if you simply miss those golden days of yore join us in an adventure into nostalgia **When Faith > Fear ...** Carly Freels,2015-11-30 Diagnosed with cancer at age seventeen Carly s once stable high school life filled with classes sports and friendships was flipped upside down Although the trials that came with her treatments were not easy Carly continually prayed for hope in hardships and peace of mind through the chaos She tells her story by reflecting on the past and enhances the reading by including the journal entries she kept through her diagnosis Carly wrote this book with the intention of providing courage and support to those undergoing treatment but she also hopes to offer advice to the family and friends indirectly affected by the patient s condition The Cheerleader's Guide to Life Cindy Villarreal,1994 Everything you need to know to be a success in cheerleading and beyond Girls Play to Win Cheerleading Marty Gitlin,2011-07-01 It s not just about cheering anymore Since the early 1900s cheerleaders have revved up crowds at pep rallies and sporting events Today cheerleaders also do something else they cheer for trophies With a mix of gymnastics stunts and spirit competitive cheerleading is one of the fastest growing and most exciting sports out there Whether it s cheering for the home team or for the national title cheerleaders are leading the way Girls Play to Win highlights the trials and triumphs of women in sports Topics include the sports history rules equipment and key training skills Enthusiasts will also learn more about the personalities and game changers that contributed to their sport s development Filled with fantastic action photos this series gives young women the information they need to take their game to the next level Library Media Connection s Editor s Choice *The Jews of Summer* Sandra Fox,2023-02-21 In the decades directly following the Holocaust American Jewish leaders anxiously debated how to preserve and produce what they considered authentic Jewish culture fearful that growing affluence and suburbanization threatened the future of Jewish life Many communal educators and rabbis contended that without educational interventions Judaism as they understood it would disappear altogether They pinned their hopes on residential summer camps for Jewish youth institutions that sprang up

across the U S in the postwar decades as places for children and teenagers to socialize recreate and experience Jewish culture Adults fears hopes and dreams about the Jewish future inflected every element of camp life from the languages they taught to what was encouraged romantically and permitted sexually But adult plans did not constitute everything that occurred at camp children and teenagers also shaped these sleepaway camps to mirror their own desires and interests and decided whether to accept or resist the ideas and ideologies their camp leaders promoted Focusing on the lived experience of campers and camp counselors The Jews of Summer demonstrates how a cultural crisis birthed a rite of passage that remains a significant influence in American Jewish life
