intertexts are presented with care clarity and visual elegance By providing the first accurate and unabridged transcriptions of Fenollosa's notebooks along with carefully edited Chinese texts the volume makes it possible to trace the movements of poetic ideas and poetic expression as they veer toward and away from Pound's creations In supplying the full Fenollosa texts the volume overturns decades of scholarship that has mystified Pound's translation process as a kind of clairvoyance displaying instead the impressive amount of sinological learning preserved in Fenollosa's hard to read notebooks and by detailing every deviation from the probable sense of the originals The edition also supplies exhaustive historical critical and textual notes clarifying points that have sometimes lent obscurity to Pound's poems and making the process of translation visible even for readers with no knowledge of Chinese Cathay A Critical Edition includes the original fourteen Chinese translations as well as Pound's unique version of The Seafarer which is fully annotated alongside its Anglo Saxon source Also included are Pound's fifteen additional Chinese translations from Lustra and other contemporary publications his essay Chinese Poetry 1919 a substantial textual Introduction and original essays by Christopher Bush and Haun Saussy on international modernism the mediation of Japan and translation The meticulous treatment and analysis of the texts for this landmark edition will forever change how readers view Pound's Chinese poems In addition to discoveries that permanently alter the scholarly record and force us to revise a number of critical commonplaces the critical apparatus allows readers to make fresh discoveries by making available the specific networks through which poetic expression moved among hands languages and media Ultimately this edition not only enables us more fully to appreciate a canonical work of Modernism but also resituates the art of Pound's translations by recovering the historical circulations that went into the making of a multiply authored and intrinsically hybrid masterpiece , **Des ombres dans la nuit** Jonathan

Ils vont faire de moi leur déjeuner et je ne peux rien y faire. Mais est-ce une vraie faim dans leurs yeux ou est-ce autre chose. A eux de me dévorer mais d'une façon dont je ne m'attendais pas. D'ordinaire je leur appartient. Je ne peux pas m'chapper si je le fais je serais punie. Et le plus honteux dans tout ça c'est exactement ce que je veux.
