Claiming Her Cougar Jenny Fenshaw,2025-08-29 When fate and a mouse reunite a charming cougar shifter with his sexy Las Vegas hook up can they make what was a one time thing into something much more permanent Mallory No names no details no future It was just a hook up one night in a Vegas nightclub Who could blame me The guy at the bar was just what I needed to scratch the itch a long romantic dry spell left me with It did the trick and what happened in Vegas stayed in Vegas Until a mouse went nowhere a rodent should go and reunited us six months

later Any thoughts of picking up where we left off vanished when I discover he s a VP in the company I work for I ve worked too hard on my career to tarnish my reputation and risk my family s respect with a fling that will have people thinking I m sleeping my way through executive team The past is going to have to remain just that because there can be no future Liam Once I felt the curvy auburn haired beauty against me and knew how sweet her kisses were I knew I wanted more But she rushed away like a sexy Cinderella leaving me alone in the dark corner of a noisy nightclub with only her blue lace panties to remember her by I couldn t believe my luck to have finally found her here in my hometown However my luck runs out when she refuses to date me because of my position in our company Little does she know I have plans that will remove that barrier and change both of our futures Can I convince her to trust fate and me and give us a chance Claiming Her Cougar is a sexy open door workplace romcom with a charming cougar shifter and the determined woman with mama drama trying not to love him
