This is the sixth book in the series but it can be read as a standalone story with no cliffhangers. If you'd rather start at book one, grab *The Billionaire Deal* by Lori Ryan. This book was previously released as part of the Sutton Capital Series under the name *According to Plan*. **No Billionaire Left Behind** Angelique Haugerud, 2013-04-17. Growing economic inequality, corporate influence in politics, an eroding middle class. Many Americans leave it to politicians and the media to debate these topics in the public sphere. Yet other seemingly ordinary Americans have decided to enter the conversation of wealth in America by donning ball gowns, tiaras, tuxedos, and top hats and taking on the imagined roles of wealthy, powerful, and completely fictional characters. Why? In *No Billionaire Left Behind*, Angelique Haugerud, who embedded herself within the Billionaires and was granted the name Ivana Itall, explores the inner workings of these faux billionaires and mines the depths of democracy's relationship to political humor, satire, and irony. *No Billionaire Left Behind* is a compelling investigation into how satirical activists tackle two of the most contentious topics in contemporary American political culture: the increasingly profound division of wealth in America and the role of big money in electoral politics. Anthropologist and author Angelique Haugerud deftly charts the evolution of a group named the Billionaires, a prominent network of satirists and activists who make a mockery of wealth in America along with other satirical groups and figures to puzzle out their impact on politics and public opinion. In the spirit of popular programs like *The Colbert Report* and *The Daily Show*, the Billionaires demonstrate a sophisticated knowledge of economics and public affairs through the lens of satire and humor. Through participant observation, interviews, and archival research, Haugerud provides the first ethnographic study of the power and limitations of this evolving form of political organizing. In this witty exploration of one group's efforts to raise hope and inspire action in America's current political climate. [The Billionaire Deal \(The Sutton Billionaires Book 1\)](#) Lori Ryan, 2020-01-07. He needs a wife. She needs a paycheck. But neither expects the heat in their marriage of convenience. No one puts CEO Jack Sutton in a corner, not even his mother or her will. If he wants his inheritance, he needs to be married, but no one said the marriage had to be anything other than a business arrangement. There are plenty of willing women and they'll play by the rules, stick to the script, and don't fall in love. He only has to find one in time. Too bad he only left himself a few

not put this down I enjoyed how the characters worked their way into each other's life by being friends first and turning into a fairy tale romance a mystery thriller and romance Goodreads reviewer *The Billionaires Box Set Volume 3* Roxy Jordan, Book 1 The Secretary's Seduction A Standalone Billionaire Boss and Secretary Love Story The funeral was short Laurel was surprised that she cried during the service It had been small primarily populated by Laurel and her husband's family He didn't have many friends and she had no family to speak of so the service was short and sweet The sky was unbearably bright and they held the service in the late afternoon Maybe not a sweet funeral but it was short Richard Ericson had died at the age of thirty five of a massive heart attack He had grown larger during the last five years of his life and made no effort to remain healthy despite the fact that he nagged at Laurel constantly to maintain her beauty for him Richard and Laurel had lived quietly side by side she kept the house and he went to his office job from eight to six He came home and she had dinner ready They never had children There was little love in the marriage Because there was such little love Laurel was surprised when a few tears slipped out as Richard was lowered into the ground Her mother in law patted her briskly on the shoulder The woman's face was tight and devoid of emotion as she gave her a stiff hug Without another word she walked to where her husband stood a somber man The two made a lovely emotionless pair Her mother and father in law were silent and shed few tears There was little love in the family as well Book 2 Saved by the Billionaire A Standalone Billionaire's Second Chance Love Story The sun was rising gently pouring into my bedroom I stretched out in the sheets feeling them beneath my fingertips They felt better this morning softer and nicer I had met a boy It sounded silly but I had Not my type either There was no way around the fact he was a dork A nerd Silly and flustered when he spoke to me trying to make eye contact but failing because I was a cheerleader And I loved it He was so adorable that I couldn't stand it On a whim and three drinks later I had given him my number in hopes he'd contact me Book 3 Second Chance with the Billionaire A Standalone Billionaire Romance Short Story Breanna and Josh are two college students who are madly in love Sarah is Breanna's best friend and roommate Josh is a computer science student and Breanna is a cheerleader on a scholarship Josh is the valedictorian as well The three of them graduate together and start their new lives All goes well for Josh and Breanna in their new life until the unexpected happens They thought they had forever but when Josh gets something that he always wanted something he needs a hard decision has to be made Book 4 The Actress A Standalone Billionaire and Actress Erotic Romance Novel As Jan looked up the address of the hotel nearest LAX LA's airport A casting call looking for young female leads had caught her attention from the back of a literary magazine She was going out on a limb and it hit her now more than ever how much she was putting on the line to come out LA on the last of her savings as the plane touched down with the sound of squealing tires When the landing lurched her forward she knew it wasn't just the excitement of a bumpy ride that was making her chest thump Deep breathes and focused thoughts were something Jan used a lot of the time when she got anxious it was something that she'd learned back many years ago Cheerleading had taught Jane a lot and often times her minds

drifted back to the life lessons Teamwork was something that few people in high school seemed to understand besides maybe a few of the all star athletes Jane learned it took others to really excel She still believed that the individual was important but she saw them as cogs in a larger framework of other cogs WARNING This collection which contains some very steamy love scenes It is only appropriate for mature readers age 18 *The Empowered Man* Conrad Riker, Tired of being a disposable pawn in feminism s chess game It s time to fight back Ever feel like society brands you toxic for breathing Like you re drowning in rules that punish strength but reward female victimhood Or wonder why you work like a slave while women demand equality without accountability This book delivers Smash the myth that masculinity is a disease Unlock evolutionary truths exposing feminism s lies Command respect in a world that mocks male sacrifice Escape the marriage plantation draining your wealth and worth Crush the double binds that trap you as predator or pushover Ignite primal purpose leftist ideologies can t erase Master leadership women biologically reject Join brothers reclaiming their stolen legacy If you want to annihilate victimhood culture and rule your life like a king then buy this book today
