Prospectus For Unisa 2015:

Proceedings of the 7th International Conference on Business and Finance Michael Twum-Darko, Izienne Loriston, Lisa Seymour, Noleen Miller, Rozenda Hendrickse, Christiana O. Bonsu, Wilbert R. Mutoko, Valdemar João Undji, Teresia Kaulihowa, Paul-Francois Muzindutsi, Edward S. Fekpe, Andrew-Vans Bray, Shawren Singh, W. Peyper, A. Mellet, Sydney B.M. Raboshakga, Plaatjie Maribe, Floyd Els, Liezel Cilliers, Abha Mittal, Aashna Jain, Mafedile Fokane, Jabulile Makhalima, 2015-12-31 Cape Town South Africa 9 Sept 2015 10 Sept 2015 Theme Creating futures Sustainable economies Purpose To share continuous and collaborative research outputs that review existing strategies and to propose mechanisms for the likely achievement of a sustainable economy that is unique but inclusive to different entities in the world Target audience This year's 7th International Conference on Business and Finance ICBF continues its tradition of being the premier forum for presentation of research results and experience reports on contemporary issues of finance accounting entrepreneurship business innovation big data e Government public management development economics and information systems including models systems applications and theory Editorial Policy All papers were refereed by a double blind reviewing process in line with the South African Department of Higher Education Training DHET refereeing standards Papers were reviewed according to the following criteria relevance to conference themes relevance to audience contribution to scholarship standard of writing originality and critical analysis *Cross-Disciplinary Approaches to Action Research and Action Learning* Mapotse, Tome Awshar, 2017-07-31 The complexity of 21st century lifestyle makes collaborative research and learning essential for all of the population both in well resourced and socio economically challenged regions Cross Disciplinary Approaches to Action Research and Action Learning is an advanced reference source including the latest scholarly research on the examination of the development of a community practice of research in order to improve problem solving in various fields Featuring extensive coverage on a broad range of topics such as social justice organizational development and global economy this publication is ideally designed for academics researchers scholars and managers seeking current research on the promotion of collaborative research and learning **Architecture, State Modernism and Cultural Nationalism in the Apartheid Capital** Hilton Judin, 2021-04-08 This book is the first comprehensive investigation of the architecture of the apartheid state in the period of rapid economic growth and political repression from 1957 to 1966 when buildings took on an ideological role that was never remote from the increasingly dominant administrative legislative and policing mechanisms of the regime It considers how this process reflected the usurpation of a regional modernism and looks to contribute to wider discourses on international postwar modernism in architecture Buildings in Pretoria that came to embody ambitions of the apartheid state for industrialisation and progress serve as case studies These were widely acclaimed projects that embodied for apartheid officials the pursuit of modernisation but carried latent apprehensions of Afrikaners about their growing economic prospects and cultural estrangement in Africa It is a less known and marginal story due to the

dearth of material and documents buried in archives and untranslated documents Many of the documents drawings and photographs in the book are unpublished and include classified material and photographs from the National Nuclear Research Centre negatives of 1960s from Pretoria News and documents and pamphlets from Afrikaner Broederbond archives State architecture became the most iconic public manifestation of an evolving expression of white cultural identity as a new generation of architects in Pretoria took up the challenge of finding form to their prospects and beliefs It was an opportunistic faith in Afrikaners who urgently needed to entrench their vulnerable and contested position on the African continent The shift from provincial town to apartheid capital was swift and relentless Little was left to stand in the way of the ambitions and aim of the state as people were uprooted and forcibly relocated structures torn down and block upon block of administration towers and slabs erected across Pretoria This book will be of great interest to students and scholars of architectural history as well as those with an interest in postcolonial studies political science and social anthropology

From Memory to Marble Elizabeth Rankin, Rolf Michael Schneider, 2020-02-10 For the first time the 92 metre frieze of the Voortrekker Monument in Pretoria one of the largest historical narratives in marble has been made the subject of a book The pictorial narrative of the Boer pioneers who conquered South Africa s interior during the Great Trek 1835 52 represents a crucial period of South Africa s past Conceptualising the frieze both reflected on and contributed to the country s socio political debates in the 1930s and 1940s when it was made The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid as well as its place in post apartheid

heritage The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument Based on unpublished documents drawings and models these processes are unfolded step by step from the earliest discussions of the purpose and content of the frieze through all the stages of its design to its shipping to post war Italy to be copied into marble from Monte Altissimo up to its final installation in the Monument The book examines how visual representation transforms historical memory in what it chooses to recount and the forms in which it is depicted The second volume expands on the first by investigating each of the twenty seven scenes of the frieze in depth providing new insights into not only the frieze but also South Africa s history Fran ois van Schalkwyk of African Minds co publisher with De Gruyter writes From Memory to Marble is an open access monograph in the true sense of the word Both volumes of the digital version of the book are available in full and free of charge from the date of publication This approach to publishing democratises access to the latest scholarly publications across the globe At the same time a book such as From Memory to Marble with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials demands reception of a more traditional kind that is on the printed page For this reason the book is likewise available in print as two separate volumes The printed and digital books should not be seen as separate incarnations each brings its own advantages working together to extend the reach and utility of From Memory to Marble to a range of interested readers

Contemporary Approaches to Commemorative Public Art Brenda Schmahmann, 2025-06-12 In this collection a diverse range of international contributors examine commemorative monuments from the late twentieth and twenty first centuries The book reveals how those monuments enable new perspectives and understanding of histories as well as a heightened involvement of viewers through not simply their subject matter but also most crucially their actual form and design While some contributors explore new approaches to the art of commemoration that artists and designers have deployed in recent monuments others examine how artists have undertaken creative engagements with historical statuary and sites using these interventions to offer critique and

commentary Additionally the contributions consider the impact of political change on ways in which an inherited commemorative landscape is interpreted and negotiated Questions considered by the contributions include How might new monuments be shaped and how might they function differently from those of the past Is there a place for portraiture in the contemporary commemorative landscape Should commemorative monuments be envisaged as permanent fixtures or are temporary approaches more viable How effectively have artists disrupted the meanings of historical monuments and sites through installation performance video and other media How has political change played out at historical sites affecting how commemorative monuments from prior dispensations are understood in the 2020s This collection will be of value to researchers in Art History Visual Studies and Heritage Studies as well as scholars in all disciplines and fields who are interested in public art public memory and the politics of commemoration

An African Pentecostal Hermeneutics Marius Nel, 2018-12-27 The face of African Christianity is becoming Pentecostal African Pentecostalism is a diverse movement but its collective interest in baptism in the Spirit and the result of Pentecost in daily living binds it together Pentecostals read the Bible with the expectation that the Spirit who inspired the authors will again inspire them to hear it as God's word They emphasize the experiential at times at the cost of proper doctrine and practice This book sketches an African hermeneutic that provides guidance to a diverse movement with many faces and serves as corrective for doctrine and practice in the face of some excesses and abuses especially in some parts of the neo Pentecostal movement African Pentecostalism's contribution to the hermeneutical debate is described before three points are discussed that define it the centrality of the Holy Spirit in reading the Bible the eschatological lens that Pentecostals use when they read the Bible and the faith community as normative for the interpretation of the Bible

The Anthropology of White Supremacy Aisha M. Beliso-De Jesús, Jemima Pierre, Junaid Rana, 2025-01-28 An anthology of original essays that examine white supremacy around the globe through the lens of anthropology White supremacy an entrenched global system that emerged alongside European colonialism is based on presumed biological and cultural differences racist practices the hypervaluation of whiteness and the devaluation of nonwhites Anthropology has been shaped by and has helped to shape white supremacy yet the discipline also offers powerful tools for understanding this system at a global scale The Anthropology of White Supremacy gathers original essays from a diverse international group of anthropologists to explore how this phenomenon works both within anthropology and in cultural and political structures around the world The book features historical and ethnographic analysis about Brazil Iceland Japan Mexico Nigeria Palestine Senegal South Africa and the United States and addresses the ways white supremacy impacts a broad range of issues including finance advertising and media representations militarism police training migration and development The Anthropology of White Supremacy demonstrates not only how anthropology can help us to better comprehend white supremacy but also how the discipline can help us begin to dismantle it The contributors include Omolade Adunbi Samar Al Bulushi Aisha M Beliso De Jesús Michael L Blakey Mitzi Uehara Carter Subhadra Mitra Channa Celina de S

Prospectus For Unisa 2015 Introduction

In today's digital age, the availability of Prospectus For Unisa 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prospectus For Unisa 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prospectus For Unisa 2015 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prospectus For Unisa 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prospectus For Unisa 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prospectus For Unisa 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prospectus For Unisa 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prospectus For Unisa 2015 books and manuals for download have transformed the way
