

"Right There" Questions

Some questions do not ask for information directly from the text, but require you to put together "clues" to prove your answer.

Question:

What season is it in this story?

Prove It! Answer:

The season in this story is winter. In the text it states, "she had to put on her coat, scarf, and mittens." This suggests it is cold outside. The text also says that she stayed up all night, "hoping school might be cancelled." I think this is because there was a snow storm.
