Werner's Magazine ,1894 **The Alexander Rumel Chronicles** K. W. Dahn,2010-05-21 In a world were magick is everywhere and the bounds of reality are questioned one man will rise above all to aid the human and the mystical alike Making a world of construed ideals into a place peace This is his story Alexander Rumel is not your average 22 year old Born a wizard Alex has given up magick after the tragic and violent death of his mother Now four years after her loss Alex is thrust into a conflict with a gang of rebellious werewolves who seek a catastrophic war Alex and his two pixie companions must stop them before it is too late **Why Does Patriarchy Persist?** Carol Gilligan,Naomi Snider,2018-10-15 The election of an unabashedly patriarchal man as US President was a shock for many despite decades of activism on gender inequalities and equal rights how could it come to this What is it about patriarchy that seems to make it so resilient and resistant to change

Undoubtedly it endures in part because some people benefit from the unequal advantages it confers But is that enough to explain its stubborn persistence In this highly original and persuasively argued book Carol Gilligan and Naomi Snider put forward a different view they argue that patriarchy persists because it serves a psychological function By requiring us to sacrifice love for the sake of hierarchy patriarchy protects us from the vulnerability of loving and becomes a defense against loss Uncovering the powerful psychological mechanisms that underpin patriarchy the authors show how forces beyond our awareness may be driving a politics that otherwise seems inexplicable
