## **Pssa Scoring Guide For Writing:**

**What Is Good Writing?** Geoffrey Huck, 2015-07-01 Though we all think we know what good writing is when we see it it is difficult to define it precisely and without a satisfactory definition it becomes problematical to assess as well as to teach In *What Is Good Writing* Geoffrey J Huck advances the contemporary debate on writing achievement by drawing on empirical research in linguistics and the other cognitive sciences that shed light on the development of fluency in language The utility of defining good writing as fluent writing or writing that is on par with the typical fluency in speech attained by normal adults is demonstrated by the progress it permits in evaluating the success of current writing programs in school and university programs which for the most part have proved unable to deliver writing assessments that are both valid and reliable Huck advances an alternative approach that rests on more scientific footing He explains why reading is key to good writing and why standard composition programs often do not live up to their aspirations Resources in Education, 2001-10
