The Little Demon:

The Little Demon Fyodor Sologub, 2013-07-25 A dark classic of Russia's silver age this blackly funny novel recounts a schoolteacher's descent into sadism, arson and murder. Mad, lascivious, sadistic and ridiculous, the provincial schoolteacher Peredonov torments his students and has hallucinatory fantasies about acts of savagery and degradation yet to everyone else he is an upstanding member of society. As he pursues the idea of marrying to gain promotion, he descends into paranoia, sexual perversion, arson, torture and murder. Sologub's anti-hero is one of the great comic monsters of twentieth-century fiction, subsequently lending his name to the brand of sado-masochism known as Peredonovism. *The Little Demon* (1907) made an immediate star of its author, who refuting suggestions that the work was autobiographical, stated: "No, my dear contemporaries, it is about you." This grotesque mirror of a spiritually bankrupt society is arguably the finest Russian novel to have come out of the Symbolist movement. Fyodor Sologub was born in St. Petersburg in 1863. His first two novels, *Bad Dreams* (1896) and *The Little Demon* (1907) were drawn from his own experiences as schoolmaster in a remote provincial town. For many years Sologub could not find a publisher for *The Little Demon*, but when in 1907 the novel was at last published, it had immediate and resounding success; he was able to leave his restricting career and devote himself to literature. In 1921 his wife committed suicide and Sologub died a few years later in 1927. Ronald Wilks studied Russian language and literature at Trinity College, Cambridge, after training as a Naval interpreter and later Russian literature at London University. He has translated many works from Russian for Penguin Classics, including books by Gorky, Gogol, Pushkin, Tolstoy and Chekhov.

The Little Demon Fedor Sologub, 1916 The Little Demon Fyodor Sologub, 2023-05-12 Ardalyon Borisitch Peredonov believes himself better than his job as a teacher and hopes that the Princess will be able to promote him to the position of Inspector. Unfortunately for him, his connection to the Princess is through his fiancée Varvara, and she has her own plans. With little sign of the desired position, his life of petty cruelty escalates even as his grip on reality begins to break apart and his paranoia manifests itself in hallucinations of a shadowy creature. Finished in 1907, *The Little Demon* (alternatively translated as *The Petty Demon*) is Fyodor Sologub's most famous novel and received both popular and critical attention on its publication, despite its less than favorable depictions of provincial Russian life. Its portrayal of Peredonov as a paranoid character, simultaneously both banal and bereft of goodness, is an essay on the Russian concept of *poshlost*, a theme that makes an appearance in many other Russian novels, not least Chichikov in Gogol's *Dead Souls*. This translation, primarily by John Cournos, was published in 1916 and includes a preface by Sologub for the English-speaking reader. The Little Demon Fedor Kuzmich Teternikov, 1916 *The Little Demon* Fëdor Sologub, 1916 The Little Demon: A Russian Novel Fyodor Sologub, 1976-01-01 After Mass, the members of the congregation scattered to their homes. A few stopped to talk under the old maples and lindens near the white stone walls within the enclosure. All were in holiday dress and looked at one another cheerily. It appeared as if the inhabitants of this town lived peacefully and amicably, even happily. But it was only in

appearance Peredonov a schoolmaster in the gymnasia stood among his friends and as he looked at them gravely out of his small stealthy eyes across the golden rims of his spectacles he remarked Princess Volchanskaya herself made the promise to Vara As soon as you marry him I'll hunt up an inspector's job for him But how can you think of marrying Varvara Dmitrievna asked the red-faced Falastov She's your first cousin Everyone laughed Peredonov's usually rosy unconcerned somnolent face showed anger Second cousin he said gruffly as he looked angrily past his companions Did the Princess give you the promise herself asked Rutilov a tall pale smartly dressed man She didn't give it to me but to Vara answered Peredonov Of course you are ready to believe all she tells you said Rutilov with animation It's easy enough to make up a tale Why didn't you see the Princess herself This is how it was I went with Vara but we didn't find her in missed her by just five minutes explained Peredonov She had gone to the country and wouldn't be back for three weeks or so I couldn't wait for her because I had to be back here for the exams It sounds suspicious laughed Rutilov showing his yellow teeth Peredonov grew thoughtful His companions left him Rutilov alone remained Of course said Peredonov I can marry whom I like Varvara is not the only one You're quite right Ardalyon Borisitch anyone would be glad to marry you Rutilov encouraged him They passed out of the gate and walked slowly in the unpaved and dusty square Peredonov said But what about the Princess She'll be angry if I chuck Varvara What's the Princess to you said Rutilov You're not going with her to a kitten's christening She ought to get you the billet first There'll be time enough to tie yourself up you're taking things too much on trust That's true agreed Peredonov irresolutely You ought to say to Varvara said Rutilov persuasively First the billet my dear girl then I'll believe you Once you get your place you can marry whom you like You'd better take one of my sisters your choice of the three Smart educated young ladies any one of them I can say without flattery a queen to Varvara She's not fit to tie their shoe strings Go on shouted Peredonov It's true What's your Varvara Here smell this Rutilov bent down broke off a fleecy stalk of henbane crumpled it up in his hand together with the leaves and dirty white flowers and crushing it all between his fingers put it under Peredonov's nose The heavy unpleasant odour made Peredonov frown Rutilov observed To crush like this and to throw away there's your Varvara for you there's a big difference between her and my sisters let me tell you my good fellow They are fine lively girls take the one you like but you needn't be afraid of getting bored with any of them They're quite young too the eldest is three times younger than your Varvara Rutilov said all this in his usual brisk and happy manner smiling but he was tall and narrow chested and seemed consumptive and frail while from under his new and fashionable hat his scant close trimmed bright hair stuck out pitifully No less than three times observed Peredonov dryly as he took off his spectacles and began to wipe them It's true enough exclaimed Rutilov But you'd better look out and don't be slow about it while I'm alive they too have a good opinion of themselves if you try later you may be too late Any one of them would have you with great pleasure

The Little Demon Feodor Sologub, 2015-09-22 The Little Demon attempted to create a description of *poshlost* a Russian concept that has characteristics of both evil and banality The antihero is a provincial schoolteacher Peredonov notable for his complete lack of redeeming human qualities The novel recounts the story of the morally corrupt Peredonov going insane and paranoid in an unnamed Russian provincial town parallel with his struggle to be promoted to governmental inspector of his province The omniscient third person narrative allowed Sologub to combine his Symbolist tendencies and the tradition of Russian Realism in which he engaged throughout his earlier novels a style similar to Maupassant's fantastic realism Realistic elements of *The Petty Demon* include a vivid description of 19th century rural everyday life while a fantastic element is the presentation of Peredonov's hallucinations on equal terms with external events While the book was received as an indictment of Russian society it is a very metaphysical novel and one of the major prose works of the Russian Symbolist movement James H Billington said of it The book puts on display a Freudian treasure chest of perversions with subtlety and credibility The name of the novel's hero Peredonov became a symbol of calculating concupiscence for an entire generation He torments his students derives erotic satisfaction from watching them kneel to pray and systematically befouls his apartment before leaving it as part of his generalized spite against the universe *MARTIAL WORLD CHAPTER 76* Dang The Bao , 2025-08-02
