The Loftiest Thing:

The Loftiest Thing S.O. Davis,2014-11-28 The Loftiest Thing a collection of short fiction examines the complexities that often come with choices and relationships In these stories ordinary people find themselves at the intriguing crossroads that often manifest themselves within the human experience Which way will they go What will they choose Will each learn that love the loftiest thing is the center and the point of it all , Immortalaeism Vul Impera,2020-02-28 Vul Impera investigates the fundamental philosophical aspects of power demonstrating fundamental aspects of the relationship of power itself and the relationship of power to human nature Examining what power is Vul proceeds to discuss what power is to people and in a convincing argument illustrates how to increase in power and also to determine if one is powerful In the second writing of Immortalaeism Vul illuminates the philosophy of empire Concerned with the element of rulership which was discussed in power Vul provides a beginning for the philosophy of empire which he simply uses as an empirical demonstration of power indicating it is written to be an appendix demonstrating power in organisation Lastly Vul relates a spiritual book called Immortalae which was produced through a spiritual endeavour that lasted thirteen years from the time Vul was eighteen Attempting many religions experiences and philosophies Vul communicates his spirituality which he has founded and established as his own religion which in eventuality includes all three written works into a paradigm that Vul labels Immortalaeism Vul provides spiritual answers that surround the notion of the holy grail in the final book All three writings are transmitted through his personal experience on the subjects and are a product of his life circumstances **The University of the South Magazine** Hudson Stuck,1890 **The Ladies' Repository** ,1868 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900 The Catholic Luther Philip D.
