Selected Topics in Midwifery Care Ana Polona Mivšek, 2019-02-08 Midwifery across the globe faces different issues In some countries the autonomy of the profession is a tradition while in some societies midwives struggle to practice autonomously the basic competencies In one part of the world the medicalisation of childbirth is the main issue preventing the natural processes of pregnancy and childbirth to flow at their own pace while in other parts of the world midwives struggle with lack of resources to provide safe midwifery care The authors of this book practice midwifery in different cultures and within different social contexts They have to deal with different obstacles and seek solutions to diverse problems With their contributions they offer an insight into their thinking their dilemmas and the problems of midwifery practices in their countries However despite different backgrounds they all have in common a uniform goal a wish to offer women optimal midwifery care and to improve midwifery services

Asset-Building Policies and Innovations in Asia Michael Sherraden, Li Zou, Ben Hok-bun Ku, Suo Deng, Sibin Wang, 2014-11-20 Asia has long been a testing ground for efforts to augment financial and social security by developing assets that may support individuals and households and contribute to long term social development Rapid growth in the number and breadth of asset based social policies has prompted Asian scholars practitioners and policymakers to share lessons from current efforts and chart future directions This book offers a unique collection of macro and micro level analyses on asset based social development and compares and contrasts national social policies across the Asia Pacific region Many asset building policies and programmes have been undertaken in Asia and innovative proposals continue to emerge The contributions in this book present and assess this broad often nuanced and evolving landscape and offer an insightful analysis of the evolution of asset building policies innovative programmes in rural populations asset based interventions to facilitate the development and well being of children as well as case studies on new ground breaking asset building projects Asset Building Policies and Innovation in Asia will be an invaluable resource for students and scholars of Asian social policy social welfare social development and social work

Liberalizing International Trade after Doha David A. Gantz, 2013-08-19 After ten years the Doha Development Round is effectively dead Although some have suggested that Doha's demise threatens the continued existence of the GATT WTO system even with some risks of increasing protectionism the United States the European Union Japan Brazil China and India among others have too much to lose to make abandoning the WTO a rational option There are alternatives to a comprehensive package of new or amended multilateral agreements including existing and future plurilateral trade agreements new or revised regional trade agreements covering both goods and services and liberalized national trade laws and regulations in the WTO member nations This book discusses these alternatives which although less than ideal may provide an impetus for continuing trade liberalization both among willing members and in some instances worldwide
