*Refugee Countdown* Bob Cowin, 2019-12-02 *Refugee Countdown* presents the questions and dilemmas ordinary people faced in deciding whether to sponsor refugees and how to go about doing so. It's an insider's story of what actually happened rather than an outsider's prescription of what is supposed to happen. It relates aspects of the refugee crisis and the church that challenge North American stereotypes. Blocked from bringing Syrian refugees into the United States, members of a Seattle church help a family enter Canada instead, raising enough funds to support them for a year while they learn English and a new culture. *Refugee Countdown* describes the project's origin in 2016 and the evolution of a partnership with the Canadian church that became the formal refugee sponsor. It portrays the learning, waiting, and preparations over a two-year period until the family is finally cleared to leave their place of exile in Lebanon. The story is told from the perspective of the Canadian partners and ends with the family's arrival in Vancouver. The focus is on the experiences of the sponsors, not those of the Orthodox Christian refugees. Along with identifying the broad range of considerations in resettling refugees, *Refugee Countdown* touches on the numerous resources and support services available. It presents a fuller and more balanced framework for thinking about refugees than appears in much political discourse and shares a warm story of developing friendships and bumps along the way. The underlying theme is that refugee sponsorship should be about more than just rescuing hurting people, especially when resettlement is a mere drop in the bucket of the world's displaced peoples. A successful sponsorship is reciprocal, enlarging the worldviews, humanity, and skill sets of the sponsors. And from the sponsors, these benefits ripple into the broader community.

**Community as Church, Church as Community** Michael Plekon, 2021-07-22 Parishes of all denominations are in decline, shrinking, closing, dying. We know that there are increasing numbers young and older who are religious, nones, and dones. This book explores why the decline is taking place, why the distancing is going on. But it goes on to examine parishes from all over the country and from various church bodies that are resurrecting. The central theme of death and resurrection shapes the analysis of parishes covered. Parishes are resurrecting by reinventing their ministries, by repurposing their building to better serve their neighborhoods, thus replanting and reconnecting with them. All of this is the Spirit's doing, but through the community of sisters and brothers who make up each congregation of faith. Community as the core of church is the other reality shaping the book's reflection. And community, a parish being with those around, living for more than its own survival, are visions for going forward. Other aspects of congregational life are also examined, most importantly, the pastors: how they serve when budgets shrink, how they are trained, how pastors act with the community, not above it. No recipes are suggested for parish resurrection, but the stories of the parishes that have revived bear within numerous lessons for us in the future. Be A Hero

Wesley Campbell,2011-07-28 God is challenging you to enlist in the noblest of all battles the battle for our children This is the cry resonating throughout the earth 1 2 billion children at risk cannot be ignored This book is a compelling case for you to be a hero in the life of children at risk beginning with scriptural understanding of mercy and justice to the poor Then setting the stage historically the authors unveil the great exploits of those awesome warriors who have gone before us outlining their struggles to serve the masses of broken humanity Finally Be a Hero time warps into the third millennium introducing the seven deadly sins uniquely facing children extreme poverty orphans of the streets children in chains sex in the city AIDS and plagues the oppression of war and religious persecution But it doesn't leaving you hanging in despair Be a Hero is a revolutionary document that prepares you to change your world
