**Tutoring Systems** Andre Coy, Yugo Hayashi, Maiga Chang, 2019-05-31 This book constitutes the proceedings of the 15th International Conference on Intelligent Tutoring Systems ITS 2019 held in Kingston Jamaica in June 2019 The 14 full papers and 13 short papers presented in this volume were carefully reviewed and selected from 42 submissions In the back matter of the volume 4 poster papers are included They deal with the use of advanced computer technologies and interdisciplinary research for enabling supporting and enhancing human learning Whole Novels for the Whole Class Ariel

Sacks, 2013-10-03 Work with students at all levels to help them read novels Whole Novels is a practical field tested guide to implementing a student centered literature program that promotes critical thinking and literary understanding through the study of novels with middle school students Rather than using novels simply to teach basic literacy skills and comprehension strategies Whole Novels approaches literature as art The book is fully aligned with the Common Core ELA Standards and offers tips for implementing whole novels in various contexts including suggestions for teachers interested in trying out small steps in their classrooms first Includes a powerful method for teaching literature writing and critical thinking to middle school students Shows how to use the Whole Novels approach in conjunction with other programs Includes video clips of the author using the techniques in her own classroom This resource will help teachers work with students of varying abilities in reading whole novels **English Learners Left Behind** Kate Menken, 2008-02-27 In the wake of recent federal legislation

entitled No Child Left Behind high stakes standardized testing for accountability purposes is being emphasized in educational systems across the U S for all students including English Language Learners ELLs Yet language proficiency mediates test performance so ELLs typically receive scores far below those of other students This book explores how tests have become de facto language policy in schools shaping what is taught in school how it is taught and in what language s it is taught In New York City while most schools responded to testing by increasing the amount of English instruction offered to ELLs a few schools have preserved native language instruction instead Moreover this research documents how tests are a defining force in the daily lives of ELLs and the educators who serve them **Resources in Education** , 1998 **NCERT English Class**
