The Obama Nation Jerome R. Corsi, 2008-08-05 In this thoroughly researched and documented book the 1 New York Times bestselling co author of Unfit for Command Swift Boat Veterans Speak Out Against John Kerry explains why the extreme leftism of an Obama presidency would leave the United States weakened diminished and divided why Obama must be defeated and how he can be Barack Obama stepped onto the national political stage when the then Illinois State senator addressed the 2004 Democratic National Convention Soon after Obama was elected to the U S Senate author Jerome Corsi began researching Obama s personal and political background Scrupulously sourced with more than 600 footnotes The Obama Nation is the result of that research By tracing Obama s career and influences from his early years in Hawaii and Indonesia the beginnings of his political career in Chicago his voting record in the Illinois legislature his religious training and his adoption of Christianity through to his recent involvement in Kenyan politics his political advisors and fundraising associates and his meteoric campaign for president Jerome Corsi shows that an Obama presidency would in his words be a repeat of the failed extremist politics that have characterized and plagued Democratic Party politics since the late 1960s In this stunning and comprehensive new book the reader will learn about Obama s extensive connections with Islam and radical politics from his father and step father s Islamic backgrounds to his Communist and socialist mentors in Hawaii and Chicago to his long term and close associations with former Weather Underground heroes William Ayers and Bernadette Dohrn associations much closer than heretofore revealed by the press Barack and Michelle s 20 year long religious affiliation with the black liberation theology of former Trinity United Church of Christ Reverend Jeremiah Wright whose sermons have always been steeped in a rage first expressed by Franz Fanon Stokely Carmichael and Malcolm X a rage that Corsi shows has deep meaning for Obama Obama s continuing connections with Kenya the homeland of his father through his support for the candidacy of Raila Odinga the radical socialist presidential contender who came to power amid Islamist violence and church burnings Obama s involvement in the slum landlord empire of the Chicago political fixer Tony Rezko who helped to bankroll Obama s initial campaigns and to purchase of Barack and Michelle s dream home property The background and techniques of the Obama campaign s cult of personality including the derivation of the words hope and change Obama s far left domestic policy his controversial votes on abortion his history of opposition to the Second Amendment his determination to raise capital gains taxes his impractical plan to achieve universal health care and his radical plan to tax Americans to fund a global poverty reduction program Obama s na ve anti war anti nuclear foreign policy predicated on the reduction of the military the eradication of nuclear weapons and an overconfidence in the power of his personality as if belief in change alone could somehow transform international politics achieve nuclear weapons disarmament and withdrawal from Iraq without adverse consequences for us for the Iraqis or for Israel Meticulously researched and documented The Obama Nation is the definitive source for information on why and how Barack Obama must be defeated not by invective and general attacks but by detailed

improved student achievement In reality Obama s new national standards curricula and testing in addition to huge spending commitments by the federal government shift the policymaking power from individuals and communities to the federal bureaucracy In this Broadside Lance Izumi examines Obama s education policies and shows us why Americans must protect and promote the power of individuals especially parents to control children s education We should look to the revolutionary school choice and parental empowerment laws passed by key states and other nations such as Canada While Obama is pushing American education in the wrong direction we can steer it back to local control *The Nation* ,2009 "Yes We Can" Wolfgang Mieder,2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama s natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama s prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama s books *Dreams from My Father* 1995 and *The Audacity of Hope* 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama s political beginnings to his memorable inaugural address
