Christ's Object Lessons—Illustrated Ellen G. White, 1941 Heritage Edition Over 100 illustrations of a century ago Unabridged original text consisting of inspiring and profound lessons from the stories and parables which Jesus told Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river In His parable teaching He linked divine truth with common things and incidents as may be found in the experiences of the shepherd the builder the tiller of the soil the traveler

and the homemaker Familiar objects were associated with thoughts true and beautiful thoughts of God's loving interest in us of the grateful homage that is His due and of the care we should have one for another Thus lessons of divine wisdom and practical truth were made forcible and impressive The Scripture says All these things spake Jesus unto the multitude in parables that it might be fulfilled which was spoken by the prophet saying I will open My mouth in parables I will utter things which have been kept secret from the foundation of the world Matt 13 34 35 Natural things were the medium for the spiritual the things of nature and the life experience of His hearers were connected with the truths of the written word Leading thus from the natural to the spiritual kingdom Christ's parables are links in the chain of truth that unites man with God and earth with heaven In this volume the parables are grouped according to their subjects and their lessons are developed and illustrated The book is full of gems of truth and to many readers it will give a richer meaning to the common surroundings of everyday life *Scripture Object Lessons and Outline Teaching for Sunday Schools* Henry Christopher Maccob, 1872

**Archaeologies of Materiality** Lynn Meskell, 2008-04-15 Drawing on social theory and offering numerous case studies Archaeologies of Materiality is one of the first books to explore materiality across time and space Demonstrates the saliency of materiality by linking it to concepts of landscape technology embodiment ritual and heritage Offers archaeological case studies ranging from prehistoric to contemporary contexts from Neo Assyria South Africa Argentina Panama and the United States Explores the idea of a material universe that is socially conceived and constructed but that also shapes human experience in daily practice God's Plan Andrea Erickson Lindsey, 2024-03-04 One of the most important things we can do as parents and leaders as we read and search the scriptures is to attend carefully and focus seriously on the points of doctrine taught by apostles and prophets The author of this book quoted President Boyd K Packer's marvelous statement about how the teaching of doctrine changes lives and builds faith and testimony like nothing else can That being true it is crucial that parents or caretakers utilize every occasion to help children understand the doctrine of the gospel of Jesus Christ Familiarity with doctrine can give them a proper perspective on life fortify them against the wiles and temptations of the devil help them find comfort in difficult times bring the Holy Spirit into their daily walk and talk and come to know their Lord and Savior in ways that nothing else can Any effort therefore to assist children in understanding the doctrine found in holy scripture and the teachings of latter day apostles and prophets can be fundamental and foundational for our little ones In that spirit I applaud the effort of Andrea Erickson Lindsey to help parents help children Having worked successfully as a seminary teacher within the Church Educational System she is able to present the doctrine of the Church in a clear and understandable manner Andrea is a former student of mine and so I know something of her earnest desire patience and perseverance in pushing forward this project It is my hope that the lessons and examples provided within this book will assist parents and loved ones to bring the children up in the nurture and admonition of the Lord Ephesians 6 4 see also Enos 1 1 About the Author Andrea Erickson Lindsey received her master's degree in religious education from Brigham Young

**Hebrews** John F. MacArthur, 2016-06-28 Pastor John MacArthur will take you through the book of Hebrews passage by passage so that you can better understand the author's message the cultural context and the perfect sufficiency of Christ The early Jewish believers had come from a background of legalism and works When God came to earth in human flesh as the New Covenant these believers discovered the freedom they could have in Jesus and the relationship they could enjoy with Him Yet in the midst of persecution and rejection they were often tempted to hold on to the former symbols rituals and traditions grounded in the requirements of the Old Covenant The unknown author of Hebrews sought to address this problem by contrasting the Old and New Covenants brilliantly showing that Christ is higher than any Old Testament character priest ritual or sacrifice Because of Jesus life death and resurrection He is the perfect sacrifice and our own High Priest And He has given all believers unfettered access to God

**The Jesus You Never Knew** Dr. Henry DePetro, 2012-09-29 In the hearts of all mankind of whatever race or station in life there are inexpressible longings for something they do not now possess This longing is implanted in the very constitution of man by a merciful God that man may not be satisfied with his present conditions or attainments whether bad or good or better God desires that the human shall seek the best and find it to the eternal blessing of his soul Satan by wily scheme and craft has perverted these longings of the human heart He makes men believe that this desire may be satisfied by pleasure by wealth by ease by fame by power but those who have been thus deceived by him and they number myriads find all these things pall upon the sense leaving the soul as barren and unsatisfied as before It is God's design that this longing of the human heart should lead to the One who alone is able to satisfy it The desire is of Him that it may lead to Him the fullness and fulfillment of that desire That fullness is found in Jesus the Christ the Son of the Eternal God For it was the good pleasure of the Father that in Him should all the fullness dwell for in Him dwelleth all the fullness of the Godhead bodily And it is also true that in Him ye are made full with respect to every desire divinely implanted and normally followed Haggai calls Him the Desire of all nations and we may well call Him the Desire of all ages even as He is the King of ages It is the purpose of this book to set forth Jesus Christ as the One in whom every longing may be satisfied There is many a Life of Christ written excellent books large funds of information

elaborate essays on chronology and contemporaneous history customs and events with much of the teaching and many glimpses of the many sided life of Jesus of Nazareth Yet it may be truly said The half has never been told It is not however the purpose of this work to set forth a harmony of the Gospels or even to give in stricdy chronological order the important events and wonderful Iessons of the life of Christ its purpose is to present the love of God as revealed in His Son the divine beauty of life of Christ of which a11 may partake and not to satisfy the desires of the merely curious nor the questionings of critics But even as the attraetl on of His own goodness of character Jesus drew His disciples unto himself and his personal presence by His sympathetic touch and feeling in all their infirmities and needs and by his constantassocaiton transformed their characters from the erathly to the heavenly from the selfish to the sacrificing from the small hearted ignorance and prejudice to largehearted knowledge and profound love for soulsof all nations and races even so it is the purpose of this book so to presentthe blessed Redeemer as to helpthe readerto come to Him face to face herat to heart and find in Him even as did the diciples of old Jesus the Mighty One who saves ot the uttermost and transforms to HIs own divine image all of those who come unto God by Him Yet how impossibleit is to revealHis life It is like attemptingto putupos canvas the livingrainbow into charaters of black and white the sweetest music
