*The Secret History* Prokopios, 2010-03-15 By exposing the perversion repression corruption and injustice at the heart of Justinian's regime Prokopios *The Secret History* destroyed forever that emperor's reputation as the great and benevolent ruler of a vast Byzantine state Faithfully rendered here in blunt and idiomatic English Prokopios tell all is as shocking today as it was in the sixth century Kaldellis substantial Introduction addresses among other topics the historical background to *The Secret History* Prokopios literary style and major themes and the relationships between Prokopios Justinian and Empress Theodora Maps genealogies a glossary and a selection of related texts including excerpts from Prokopios *Wars and Buildings* and several contemporary documents enhance and support the reading of this scandalous and suspenseful book **Court Ceremonies and Rituals of Power in Byzantium and the Medieval Mediterranean**, 2013-09-19 Publicly performed rituals and ceremonies form an essential part of medieval political practice and court culture This applies not only to western feudal societies but also to the linguistically and culturally highly diversified environment of Byzantium and the Mediterranean basin The continuity of Roman traditions and cross fertilization between various influences originating from Constantinople Armenia the Arab Muslim World and western kingdoms and naval powers provide the framework for a distinct sphere of ritual expression and ceremonial performance This collective volume placing Byzantium into a comparative perspective between East and West examines transformative processes from Late Antiquity to the Middle Ages succession procedures in different political contexts phenomena of cross cultural appropriation and exchange and the representation of rituals in art and literature Contributors are Maria Kantirea Martin Hinterberger Walter Pohl Andrew Marsham Björn Weiler Eric J Hanne Antonia Giannouli Jo Van Steenbergen Stefan Burkhardt Ioanna Rapti Jonathan Shepard Panagiotis Agapitos Henry Maguire Christine Angelidi and Margaret Mullett **Castration and Culture in the Middle Ages** Larissa Tracy, 2013 Essays exploring medieval castration as reflected in archaeology law historical record and literary motifs Castration and castrati have always been facets of western culture from myth and legend to law and theology from eunuchs guarding harems to the seventeenth and eighteenth century castrati singers Metaphoric castration pervades a number of medieval literary genres particularly the Old French fabliaux exchanges of power predicated upon the exchange or absence of sexual desire signified by genitalia but the plain literal act of castration and its implications are often overlooked This collection explores this often taboo subject and its implications for cultural mores and custom in Western Europe seeking to demystify and demythologize castration Its subjects include archaeological studies of eunuchs historical accounts of castration in trials of combat the mutilation of political rivals in medieval Wales Anglo Saxon and Frisian legal and literary examples of castration as punishment castration as comedy in the Old French fabliaux the prohibition against genital mutilation in hagiography and early modern anxieties about punitive castration enacted on the Elizabethan stage The introduction reflects on these topics in the context of arguably the most well known victim of castration in the middle ages

Abelard LARISSA TRACY is Associate Professor of Medieval Literature at Longwood University Contributors Larissa Tracy Kathryn Reusch Shaun Tougher Jack Collins Rolf H Bremmer Jr Jay Paul Gates Charlene M Eska Mary A Valante Anthony Adams Mary E Leech Jed Chandler Ellen Lorraine Friedrich Robert L A Clark Karin Sellberg LenaW nggren **Hellenistic Astrology** Chris Brennan,2017-02-10 Hellenistic astrology is a tradition of horoscopic astrology that was practiced in the Mediterranean region from approximately the first century BCE until the seventh century CE It is the source of many of the modern traditions of astrology that still flourish around the world today although it is only recently that many of the surviving texts of this tradition have become available again for astrologers to study Hellenistic Astrology The Study of Fate and Fortune is one of the first comprehensive surveys of this tradition in modern times The book covers the history philosophy and techniques of ancient astrology with a special focus on demonstrating how many of the fundamental concepts underlying the practice of western astrology originated during the Hellenistic period **A Handbook to the Reception of Greek Drama** Betine van Zyl Smit,2016-05-23 A Handbook to the Reception of Greek Drama offers a series of original essays that represent a comprehensive overview of the global reception of ancient Greek tragedies and comedies from antiquity to the present day Represents the first volume to offer a complete overview of the reception of ancient drama from antiquity to the present Covers the translation transmission performance production and adaptation of Greek tragedy from the time the plays were first created in ancient Athens through the 21st century Features overviews of the history of the reception of Greek drama in most countries of the world Includes chapters covering the reception of Greek drama in modern opera and film *Procopius of Caesarea: Literary and Historical Interpretations* Christopher Lillington-Martin,2017-07-06 This volume aims to encourage dialogue and collaboration between international scholars by presenting new literary and historical interpretations of the sixth century writer Procopius of Caesarea the major historian of Justinian s reign Although scholarship on Procopius has flourished since 2004 when the last monograph in English on Procopius was published there has not been a collection of essays on the subject since 2000 Work on Procopius since 2004 has been surveyed by Geoffrey Greatrex in his international bibliography Peter Sarris has revised the 1966 Penguin Classics translation of and introduced Procopius Secret History 2007 and Anthony Kaldellis has edited translated and introduced Procopius Secret History with related texts 2010 and revised and modernised H B Dewing s Loeb translation of Procopius Wars as The Wars of Justinian in 2014 This volume capitalises on the renaissance in Procopius related studies by showcasing recent work on Procopius in all its diversity and vibrancy It offers approaches that shed new light on Procopius texts by comparing them with a variety of relevant textual sources In particular the volume pays close attention to the text and examines what it achieves as a literary work and what it says as an historical product *Great Power Diplomacy* A. Wess Mitchell,2025-10-14 A captivating history of diplomacy and an urgent reminder of why we need to revive its lost arts to survive in a dangerous era of great power competition From the beginning of time human societies have found themselves confronted by enemies too numerous or ferocious to defeat solely

by force of arms In these dramatic moments wise leaders have turned to diplomacy to rearrange the gameboard in their favor and stymie seemingly unstoppable foes In Great Power Diplomacy American historian and diplomat A Wess Mitchell recounts the forgotten story of how history's most legendary empires have used diplomacy as a tool of grand strategy to outwit outmaneuver and outlast militarily superior opponents Through fifteen centuries of history Great Power Diplomacy recreates the perilous junctures colorful personalities and intricate statecraft that led to some of history's most stunning diplomatic achievements and greatest disasters The protagonists include giants like Richelieu Metternich Bismarck and Kissinger but also a lesser known cast of scoundrels eunuchs drunkards and fools At every turn fortune favored those great powers with the foresight and dexterity to build winning alliances splinter enemy coalitions and when necessary make peace with their bitterest foes Diplomacy of this kind has become a lost art in recent years as Western elites embraced the illusion that globalization and the spread of democracy would create a borderless world where nations would live in harmony and war would be abolished from the human story But as Great Power Diplomacy reveals we will need to rediscover the secrets of skillful statecraft as the world enters an unstable new era in which continent sized great powers compete for territory resources and prestige By recalling diplomacy's rich past we can equip ourselves for a more dangerous future

**The Secret History of the Soul** Richard Sugg, 2014-08-11 What would Christianity be like without the soul While most people would expect the Christian bible to reveal a highly traditional opposition of matter and spirit the spirit forces of the Old and New Testaments are often surprisingly physical dynamic and practical a matter of energy as much as ethics The Secret History of the Soul examines the forgotten or suppressed models of body soul and human consciousness found in the literature philosophy and scripture of the ancient and classical worlds It shows how the spirit forces of Homer Plato Aristotle and the Old and New Testaments tended to be quantities not entities and to be closely bound up with the dynamic physical flux of the human body rather than cleanly abstracted in some absolute immaterial realm Forces such as *menos* and *thymos* *nephesh* *pneuma* and *dynamis* not only blurred the line between body and soul but were potent and transferable being used in New Testament culture to effect magical cures or bestow magical power Related to this surprising lack of body soul dualism is a lack of dualistic afterlife in either Homer or Hebrew scripture where Hades and Sheol are the sole post mortem destinations The Secret History of the Soul restores the living strangeness of a spirit world filled with potent energy and practical magic in cultures which had not yet glimpsed the abstracted soul of later Christianity

**The Secrets We Keep** Roland Betancourt, 2024-09-10 An intriguing look at secrecy during the Byzantine Empire and the role of the art historian in seeking truth Secrecy has played a role throughout human history and continues to capture the popular imagination Some of the most seductive aspects of the Byzantine Empire such as the relics of the imperial palace and the military uses of Greek fire have been shrouded in mystery for centuries This book provides a brief history of secrecy in Byzantium and examines the role of the art historian in uncovering the truth demonstrating how visual evidence can not only reveal new findings but also

purposely conceal answers Art historians face many challenges in their search for hidden knowledge including accessing accounts preserved in fragmentary glimpses and reconciling how practices of speculation and reconstruction result in different and sometimes contradictory understandings With pressing urgency this book asks scholars to consider their role in articulating the stories of marginalized people particularly for queer and trans history At the core of these investigations is the quest to discover how clandestine knowledge was transmitted and how relationships were strengthened by collective secret keeping as well as how concealment is used as a strategy for exercising power With insights into the religious imperial military and cultural uses of secrecy this book offers an intriguing look at the ways secrecy manifested itself during the Byzantine Empire and the implications it has for the issues we face today *A Companion to Sport and Spectacle in Greek and Roman Antiquity* Paul Christesen, Donald G. Kyle, 2014-01-07 *A Companion to Sport and Spectacle in Greek and Roman Antiquity* presents a series of essays that apply a socio historical perspective to myriad aspects of ancient sport and spectacle Covers the Bronze Age to the Byzantine Empire Includes contributions from a range of international scholars with various Classical antiquity specialties Goes beyond the usual concentrations on Olympia and Rome to examine sport in cities and territories throughout the Mediterranean basin Features a variety of illustrations maps end of chapter references internal cross referencing and a detailed index to increase accessibility and assist researchers *Dreaming in Byzantium and Beyond* George T. Calofonos, 2016-05-13 Although the actual dreaming experience of the Byzantines lies beyond our reach the remarkable number of dream narratives in the surviving sources of the period attests to the cardinal function of dreams as vehicles of meaning and thus affords modern scholars access to the wider cultural fabric of symbolic representations of the Byzantine world Whether recounting real or invented dreams the narratives serve various purposes such as political and religious agendas personal aspirations or simply an author's display of literary skill It is only in recent years that Byzantine dreaming has attracted scholarly attention and important publications have suggested the way in which Byzantines reshaped ancient interpretative models and applied new perceptions to the functions of dreams This book the first collection of studies on Byzantine dreams to be published aims to demonstrate further the importance of closely examining dreams in Byzantium in their wider historical and cultural as well as narrative context Linked by this common thread the essays offer insights into the function of dreams in hagiography historiography rhetoric epistolography and romance They explore gender and erotic aspects of dreams they examine cross cultural facets of dreaming provide new readings and contextualize specific cases they also look at the Greco Roman background and Islamic influences of Byzantine dreams and their Christianization The volume provides a broad variety of perspectives including those of psychoanalysis and anthropology **A Companion to Procopius of Caesarea**, 2021-12-06 This volume offers an extensive introduction to 6th century Byzantine historian Procopius of Caesarea widely regarded as one of the last great historians of Antiquity Procopius monumental oeuvre is our main contemporary source for an array of highly significant historical developments during the reign of Justinian I 527-565

ranging from warfare with Persia in the East and the reconquest of large parts of the Western Empire from the Goths and Vandals to aspects of social and economic history Contributors are Harmut Leppin Brian Croke Dariusz Brodka Geoffrey Greatrex Philip Rance Rene Pfeilschifter Michael Whitby Bruno Bleckmann Laura Mecella Timo Stickler Marek Jankowiak Charles Pazdernik Hans Ulrich Wiemer Henning B r m Anthony Kaldellis Umberto Roberto Olivier Gengler and Iodie Turquois

*Byzantine Intersectionality* Roland Betancourt, 2020-10-06 Intersectionality a term coined in 1989 is rapidly increasing in importance within the academy as well as in broader civic conversations It describes the study of overlapping or intersecting social identities such as race gender ethnicity nationality and sexual orientation alongside related systems of oppression domination and discrimination Together these frameworks are used to understand how systematic injustice or social inequality occurs In this book Roland Betancourt examines the presence of marginalized identities and intersectionality in the medieval era He reveals the fascinating little examined conversations in medieval thought and visual culture around matters of sexual and reproductive consent bullying non monogamous marriages homosocial and homoerotic relationships trans and non binary gender identifications representations of disability and the oppression of minorities In contrast to contemporary expectations of the medieval world this book looks at these problems from the Byzantine Empire and its neighbors in the eastern mediterranean through sources ranging from late antiquity and early Christianity up to the early modern period In each of five chapters Betancourt provides short carefully scaled narratives used to illuminate nuanced and surprising takes on now familiar subjects by medieval thinkers and artists For example Betancourt examines depictions of sexual consent in images of the Virgin the origins of sexual shaming and bullying in the story of Empress Theodora early beginnings of trans history as told in the lives of saints who lived portions of their lives within different genders and the ways in which medieval authors understood and depicted disabilities Deeply researched this is a groundbreaking new look at medieval culture for a new generation of scholars

**Romanland** Anthony Kaldellis, 2019-04-01 A leading historian argues that in the empire we know as Byzantium the Greek speaking population was actually Roman and scholars have deliberately mislabeled their ethnicity for the past two centuries for political reasons Was there ever such a thing as Byzantium Certainly no emperor ever called himself Byzantine And while the identities of minorities in the eastern empire are clear contemporaries speak of Slavs Bulgarians Armenians Jews and Muslims that of the ruling majority remains obscured behind a name made up by later generations Historical evidence tells us unequivocally that Byzantium's ethnic majority no less than the ruler of Constantinople would have identified as Roman It was an identity so strong in the eastern empire that even the conquering Ottomans would eventually adopt it But Western scholarship has a long tradition of denying the Romanness of Byzantium In *Romanland* Anthony Kaldellis investigates why and argues that it is time for the Romanness of these so called Byzantines to be taken seriously In the Middle Ages he explains people of the eastern empire were labeled Greeks and by the nineteenth century they were shorn of their distorted Greekness and became Byzantine Only when we understand that the

Greek speaking population of Byzantium was actually Roman will we fully appreciate the nature of Roman ethnic identity We will also better understand the processes of assimilation that led to the absorption of foreign and minority groups into the dominant ethnic group the Romans who presided over the vast multiethnic empire of the east Stasis Jonathan Stutz ,2024-07-08 Episodes of collective violence have come to us in forms of texts that were designed in such a way as to manipulate the perception and emotional response of a specific audience Jonathan Stutz shows that for this reason early Christian narratives on religious violence have to be read against the background of ancient perceptions of violence and alongside ancient texts that aimed at legitimizing or de legitimizing the use of physical coercion **The Field Armies of the East Roman Empire, 361-630** Anthony Kaldellis, Marion Kruse, 2023-05-11 A new narrative history of the east Roman field armies based on all the available sources *Empresses-in-Waiting* Christian Rollinger, Nadine Viermann, 2024-05-20 *Empresses in Waiting* comprises case studies of late antique empresses female members of imperial dynasties and female members of the highest nobility of the late Roman empire ranging from the fourth to the seventh centuries AD Situated in the context of the broader developments of scholarship on late antique and byzantine empresses this volume explores the political agency religious authority and influence of imperial and near imperial women within the Late Roman imperial court which is understood as a complex spatial social and cultural system the centre of patronage networks and an arena for elite competition The studies explore female performance and representation in literary and visual media as well as in court ceremonial and discuss the opportunities and constraints of female power within a male dominated court environment and the broader realms of imperial activity By focusing on imperial women the volume not only addresses questions of gendered rhetoric and agency but throws into relief general dynamics in the exercise of imperial power during a period in which the classical Mediterranean world at large as well as the Roman monarchy underwent crucial transformations *The Routledge Handbook of Gender and Sexuality in Byzantium* Mati Meyer, Charis Mesis, 2024-05-23 This Handbook is the first to consider the interrelated subjects of gender and sexuality in the Eastern Roman Empire from an interdisciplinary perspective Drawing on both modern theories and Byzantine perceptions and considering multiple periods and religions Eastern Orthodox Islamic and Jewish it provides evidentiary textual and visual material support for an analysis of the two linked themes Broadly the essays demonstrate that gender and sexual constructs in Byzantium were porous As a result they expand our knowledge of not only how sex and gender were conceived and performed but also how ideas and practices shaped Byzantine life The Routledge Handbook of Gender and Sexuality in Byzantium will be an indispensable guide for students and scholars of late antique and Byzantine religion history culture and art who will find it a useful critical survey of current scholarship and one that shines new light in their areas of research The focus on issues of gender and sexuality may also be of interest to individuals concerned with Eastern Mediterranean culture as well as to the broader public Chapter 21 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non

Commercial No Derivatives CC BY NC ND 4 0 license

### **Routledge Encyclopedia of Ancient Mediterranean Religions**

Eric Orlin, 2015-11-19 The Routledge Encyclopedia of Ancient Mediterranean Religions is the first comprehensive single volume reference work offering authoritative coverage of ancient religions in the Mediterranean world Chronologically the volume's scope extends from pre historical antiquity in the third millennium B C E through the rise of Islam in the seventh century C E An interdisciplinary approach draws out the common issues and elements between and among religious traditions in the Mediterranean basin Key features of the volume include Detailed maps of the Mediterranean World ancient Egypt the Roman Empire and the Hellenistic World A comprehensive timeline of major events innovations and individuals divided by region to provide both a diachronic and pan Mediterranean synchronic view A broad geographical range including western Asia northern Africa and southern Europe This encyclopedia will serve as a key point of reference for all students and scholars interested in ancient Mediterranean culture and society

## Secret History With Related Texts Introduction

In today's digital age, the availability of Secret History With Related Texts books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Secret History With Related Texts books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Secret History With Related Texts books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Secret History With Related Texts versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Secret History With Related Texts books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Secret History With Related Texts books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Secret History With Related Texts books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Secret History With

Related Texts books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Secret History With Related Texts books and manuals for download and embark on your journey of knowledge?

### FAQs About Secret History With Related Texts Books

1. Where can I buy Secret History With Related Texts books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
