Media Information Australia ,1989 **Aussie Fans** Celia Lam,Jackie Raphael,2019-10-01 Australia holds a unique place in the global scheme of fandom Much of the media consumed by Australian audiences originates from either the United States or the United Kingdom yet several Australian productions have also attracted international fans in their own right This first ever academic study of Australian fandom explores the national popular culture scene through themes of localization and globalization The essays within reveal how Australian audiences often seek authentic imports and eagerly embrace different cultures examining both Hollywood s influence on Australian fandom and Australian fan reactions to non Western content By shining a spotlight on Australian fandom this book not only provides an important case study for fan studies scholars it also helps add nuance to a field whose current literature is predominantly U S and U K focused Contributors Kate Ames Ahmet Atay Jessica Carniel Toija Cinque Ian Dixon Leigh Edmonds Sharon Elkind Jacqui Ewart Lincoln Geraghty Sarah Keith Emerald L King Renee Middlemost **TV Guide** ,1988 Still Complaining Jim Foster,2001-11-01 Once again we are blessed with yet another collection of Jim Foster s ravings His first book I hate to complain but with its views on everything from bank mergers to the author s 30 year love affair with Sophia Loren is being hailed as a classic example though of what no one is quite sure Readers will be amazed at the depth of the author s knowledge on just about any subject and his total inability to keep it to himself What should you do if a comet falls on you at 1000 mph What are the best pick up lines for the man or woman looking for romance Why doesn t Julia Roberts shave her underarms All this and many other bits of useless information will have Canadians from coast to coast chuckling out loud popping their eyes in wonder and simply scratching their heads in bewilderment **From 'Stone-Age' to 'Real-Time'** Martin Slama,Jenny Munro,2015-04-24 There are probably no other people on earth to whom the image of the stone age is so persistently attached than the inhabitants of the island of New Guinea which is divided into independent Papua New Guinea and the western part of the island known today as Papua and West Papua From Stone Age to Real Time examines the forms of agency frictions and anxieties the current moment generates in West Papua where the persistent stone age image meets the practices and ideologies of the real time a popular expression referring to immediate digital communication The volume is thus essentially occupied with discourses of time and space and how they inform questions of hierarchy and possibilities for equality Papuans are increasingly mobile and seeking to rework inherited ideas institutions and technologies while also coming up against palpable limits on what can be imagined or achieved secured or defended This volume investigates some of these trajectories for the cultural logics and social or political structures that shape them The chapters are highly ethnographic based on in depth research conducted in diverse spaces within and beyond Papua These contributions explore topics ranging from hip hop to HIV AIDS to historicity filling much needed conceptual and ethnographic lacunae in the study of West Papua *The Complete MRCPsych Part II* Ashok Patel,2006-01-27 Studying for the MRCPsych exams can seem a daunting prospect especially when faced with the vast

amounts of literature available to help but this book offers a complete solution in the form of a thoroughly comprehensive guide to the Part II Exam Completely up to date and taking in the recent changes to the exam the book reflects the exam format
