

CHAPTER 14

About the SAT Essay

The SAT Essay is a lot like a typical writing assignment in which you're asked to analyze a text. To do well on the SAT Essay, you'll want to have a good sense of what the test asks of you as well as the reading, analysis, and writing knowledge and skills required to compose a response to the Essay prompt. This chapter is intended primarily to get you more familiar with the Essay. After we discuss the test in general, we'll turn to some sample prompts as well as examples of student responses and what scores they would receive.

Important Features of the SAT Essay

The Essay on the SAT is optional, which means that—unless you're required to take the test by your school or some other institution—you need to make an informed, personal choice about whether to take the Essay. You should figure out whether any of the postsecondary institutions that you're applying to require Essay scores; if so, your decision is pretty simple. If that's not the case and you're not otherwise required to take the Essay, you'll have to make up your own mind about it. Note that some postsecondary institutions that don't require Essay scores still recommend that you submit them. Look carefully at the admission requirements and preferences of the schools you're thinking of applying to.

We recommend that you seriously consider taking the Essay. The task the Essay asks you to complete—analyzing how an argument works—is an interesting and engaging one. The Essay also gives you an excellent opportunity to demonstrate your reading, analysis, and writing knowledge and skills—which are critical to readiness for and success in college and career—and the scores you'll get back will give you insight into your strengths in these areas as well as indications of any areas that you may still need to work on.

Position Within the SAT Test

The Essay is administered after the multiple-choice sections of the SAT. This makes it easier to give the test to some students and not to others, since the Essay isn't required.

REMEMBER

The Essay is optional for students. If your school or the postsecondary institutions you're applying to don't require Essay scores, you'll have to make an informed, personal decision as to whether to take the Essay.
