Richardson, 2023-03-09. No one likes to think about dying, but it's a reality of life that all of us have to deal with sooner or later. It seems logical that if Christianity is true and Jesus is real, then he would have wanted us to know for sure where we are going after death. This book takes the words attributed to Jesus in the Bible and provides a logical explanation for creation, giving the reader a way to know for sure if they are bound for heaven or bound for hell. The thirteen chapters are thirteen sermons that start at the beginning of every spiritual journey: "Why am I here?" and take the reader on a logical journey that ends with a way for the reader to know what their true spiritual condition is. The purpose of the book is to explain the gospel in logical language and then offer Jesus' words as proof of the authenticity or falsehood of the reader's conversion experience by the presence or absence of four basic character traits about which Jesus taught frequently. If you read the book by the last page, you will know for sure. [This I Know For Sure - Women's Bible Study Leader Guide](#) Babbie Mason, Jenny Youngman, 2013. The Oprah Phenomenon Jennifer Harris,Elwood Watson,2007-03-16 Excellent essays on a business empire a cultural phenomenon and the nature of the extraordinary bond between Oprah Winfrey and her fans Journal of Social History Oprah Winfrey has built an empire on her ability to connect with and inspire her audience No longer just a name Oprah has become a brand representing a unique style of self actualizing individualism The cultural and economic power wielded by Winfrey merits critical evaluation The contributors to The Oprah Phenomenon examine the origins of her public image and its substantial influence on politics entertainment and popular opinion Contributors address praise from her supporters and weigh criticisms from her detractors Winfrey s ability to create a feeling of intimacy with her audience has long been cited as a foundation of her popularity She has made headlines by engaging and informing her audience with respect to her personal relationships to race gender feminism and New Age culture The Oprah Phenomenon explores these relationships in detail At the root of Winfrey s message is her assertion that anyone can be a success regardless of background or upbringing The contributors scrutinize this message What does this success entail Is the motivation behind self actualization in fact merely the hope of replicating Winfrey s purchasing power Is it just a prescription to buy the products she recommends and heed the advice of people she admires or is it a lifestyle change of meaningful spiritual benefit The Oprah Phenomenon asks these and many other difficult questions to promote a greater understanding of Winfrey s influence on the American consciousness Identifies the common threads that run through Oprah s empire the demographics of her audience how she brings together
