MORMON
STORIES

The background of the entire image is a sepia-toned illustration of a man with dark hair, wearing a light blue long-sleeved shirt and a dark blue vest. He is kneeling and looking down at a large, round, metallic object that resembles a gavel or a large ring. The background is filled with faint, cursive handwriting, likely from the Book of Mormon, which is partially obscured by the text and the man's figure.

Foundational Texts of Mormonism Mark Ashurst-McGee, Robin Scott Jensen, Sharalyn D. Howcroft, 2018 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period s documentary record by supplying important information on major primary sources *The Mormon Delusion* Jim Whitefield, 2009-05-21 An expos of Joseph Smith s fraud which spawned the Mormon Church The Church of Jesus Christ of Latter Day Saints Conclusive evidence that every aspect of Smith s Church was a hoax and that the modern Mormon LDS Church continues in a conspiracy to deceive rank and file Mormons with lies and suppression of the real historical truth Visit <http://themormondelusion.com> for more information on this and other work
