What They Never Told You in History Class Indus Khamit Kush, 2014-08-05 **What They Never Told You in History Class** Indus Khamit Kush, 1983 **The Black Muslim Manifesto** Lukman, 2009-05

The Black Muslim Manifesto is the compilation of over ten years of essays addressing events of historical contemporary and ideological significance. Debates between the author and others who contested some of his positions form the basis of several chapters. The essays not only provide Lukman's reflections on some of the most critical issues of the past decade, they also include a critical analysis of American history, a critique of Malcolm X, a biographical sketch of Kwame Ture, partly based on the author's personal relationship with him. Lukman's understanding of the religion of Islam, particularly as it relates to the post 9/11 world, commentaries on Lebanon, Sudan, Gaza, the ascendancy of Obama, etc. There are countless opinions offered concerning every topic addressed in the Manifesto; however, that which makes the Manifesto unique is its uncompromising Black revolutionary Islamic perspective. This is a perspective that is totally missing from the ideological discourse in America, on either the left or the right. The climate of fear engendered by George W.'s fatwa that you are either with us or you are with the terrorists has sent Muslim leadership in America scurrying behind the mantra "Islam is peace." The fact that Bush codified his fatwa with the Patriot Act has left this brand of leadership cowering in fear. Those who wish to pass themselves off as Black leadership are no better than their Muslim counterparts. The Manifesto takes the unabashed position that the Obamania which has been signed onto by most recognized Black leadership is no more than a corporate-controlled deception. It is a deception designed for international as well as domestic consumption. The American ruling class is faced with the browning of America. They are also confronted with an increasingly non-white anti-American global population. According to the Manifesto, Obamaism represents the apotheosis of neo-colonialism. Are the views expressed in the two preceding paragraphs controversial? Of course they are, and they are reflective of the spirit of the book. That is precisely what makes the Manifesto unique. The uniqueness of the book is part of the appeal of the Manifesto. An embattled Muslim world will find a voice in the Western Hemisphere who champions their cause. Followers of the teachings of the Honorable Elijah Muhammad will see that Elijah Lives in its pages. Revolutionary thinkers will find a book written in the spirit of George Jackson's *Blood in my Eye*. And of course, liberals, reformists, accommodationists, and assimilationists will be horrified. But that is precisely the type of debate all intellectuals should welcome.

The Liberation of the African Mind Adisa Franklin, 2004-11-02

The Liberation to the African Mind: The Key to Black Salvation is a strong book written to the millions of African Americans who have had their history distorted by the Church and public schools. Because of these distortions, Black people are estranged and alienated from their culture and the wisdom of their ancestors. The book challenges African Americans to begin to think for themselves, especially in the realm of religion. It is a prophetic book with a revolutionary perspective. It is prophetic in that it points to the direction the Black Church must take to effectively address the spiritual needs of the Black community. It is revolutionary because it

challenges the Church and believers to establish a new paradigm an African Spiritual frame of reference The Black Church must transform itself and take on a new view of the scriptures doctrines and dogmas of Christendom This book documents the fact that what Blacks have been given as Christianity is in reality stolen African mythology cosmology and history that has been corrupted by Roman and Greek priest philosophers and emperors It is one of the most powerful challenges to Orthodox Christianity to date The Truth will liberate you from their strong delusions While there is indeed some positive and beneficial aspects to Church membership it is time for the Black Church to make its exodus from the Western religious way of faith in God to the African spiritual way of knowledge of God Black Pastors and religious leaders must begin to teach that which will bring about the manifestation of the fullness of Christ This is the charge given to all church leadership by the Bible they teach from And He Himself gave some to be apostles some prophets some evangelist some pastors and teachers for the equipping of the saints for the work of the ministry for the edifying of the body of Christ till we all come to the unity of the faith and the knowledge of the Son of God to be a perfect man to the measure of the stature of the fullness of Christ Ephesians 4 11 13 There are far too many Babes in Christ in the Church It is not the fault of the believers but a reflection of corrupted doctrines and false dogmas In addition the unity of the Black Church must become a priority Not one church or believer can say they have no need of the rest of the Body of Christ in good conscience Yet unity in the Black Church is more a rhetorical than an actual reality Imagine what could be done if the wealth of the Church was combined to establish a super fund Unity must be at the top of the agenda for the Black Church and for the Black community Lastly though we have the proverbial church on every corner there is an undeniable spiritual crisis in the Black community The Liberation of the African Mind The Key to Black Salvation makes the Spiritual Resurrection of the Black man a valid goal and priority It will challenge many long held beliefs and dogmas however Christendom must be examined and that which is not of God must be abandoned Not since Marcus Garvey Fredrick Douglas and the Honorable Elijah Muhammad have Blacks questioned the validity or efficacy of Christianity Mr Muhammad made an attempt to make Blacks aware that Christianity was the religion of the people who had enslaved them Every race worships God in a way that is peculiar to their culture Since the days of captivity Blacks have worshiped the god of their conquerors and oppressors Worshipping a White man as God is not only a form of idolatry but extremely detrimental to the Black Psyche What I Never Told You Adriane Waldrep,2013-01-30 What do you do when everything you thought you could count on is taken away Sixteen year old Tessa is devastated when her cousin Clara is killed in a car accident Tessa unsure of how to trust God anymore clings to her boyfriend Eli in the hopes that he can restore normalcy to her world But when he proves to be less than trustworthy and her parents break them apart Tessas heart is shattered and she is forced to reevaluate what love and happiness really mean Tessa strives to stay connected to Eli only to fall flat on her face and finally notice everyone she has left behind Tessa tries to regain friendship with her younger sister Emma and as their hearts slowly begin to mend opens her own heart to forgive God and to find love again **To Be A Hero:**
