Negotiating for Peace in the Middle East (Routledge Revivals) Ismail Fahmy, 2013-09-13 Ismail Fahmy was Minister of Foreign Affairs and Deputy Premier of Egypt but resigned in protest against President Sadat's visit to Jerusalem in 1977. This book, published in 1983, presents the first portrait of Sadat from within the Arab ruling elite and gives unique coverage of the crucial negotiations that took place between Arab leaders which determined the key events during this period. Fahmy vividly recounts the years when prospects for a permanent peace in the Middle East seemed a real possibility and presents a damning portrayal of the roles that Kissinger, Nixon, and Carter played in events. This is a fascinating account of the struggle for peace in the Middle East written from the unique perspective of a hugely influential contemporary at the heart of the dialogue.

The Elusive Peace (Routledge Revivals) William R. Polk, 2013-12-16 The Elusive Peace first published in 1979 highlights the crucial developments in the Middle East during the twentieth century: the coming of nationalism, the struggle for independence, the effects of the Cold War and the four hot wars in the Middle East. The numerous attempts to solve the conflicts and the ultimate failure of such attempts are discussed with particular reference to the war in Lebanon and its relation to larger conflicts. As an American emissary during the Kennedy, Johnson, and Nixon years, William Polk is unique in his ability to assess the key personalities and provide thorough analysis considering Sadat and Begin and the American policies of Dulles and Kissinger. This is a fascinating and inclusive study which provides essential background to the on-going turmoil in the Middle East.
