The Woman Who Knew What She Wanted William Coles, 2013-05-15 Kim is a waiter in a Dorset hotel, an absolute hot bed of sex. But he's seeing none of it. Instead, he falls for Cally, a 43-year-old artist who is steaming with chutzpah. She is a woman who grabs life by the throat; she knows what she wants and most of the time she gets it too. She lives only in the moment, losing a number of her nine lives and nearly killing Kim in the process. Kim finds love as he has never known it before, but even when he's completely in Cally's thrall, he's still unable to resist the allure of other younger women. A couple can bridge a 20-year age gap, but can they ever make the relationship last? This is the third book in the series, following on from *The Well-Tempered Clavier* and *The Woman Who Made Men Cry*.

What Women Want Dr. Gracieta M. Lewis, 2012-09-25 This book is a self-help book for men, but women will probably read it too. Women are so smart; they want to know whatever they can about themselves. By him knowing what his woman wants, he can provide it for her or at least understand why she wants it.

What She Wants Cathy Kelly, 2002 The author of the bestselling *Just Between Us* introduces us to four new special women in a warm and funny novel about facing change in our lives. Do you know what you'll be doing next year? Nicole, Virginia, Hope, and Sam all think they do. Hope will still be slogging it out as a working mum, snatching quality time with her children and trying not to burn her husband Matt's dinner. Her sister Sam is going to be climbing to the very top as boss of a record label, turning heads and having her photo emblazoned on the business pages as the toughest, most brilliant music mogul around. Wild child Nicole reckons she'll still be partying with the girls, possibly snogging a guy here or there, and trying not to get fired for using the office phone to organize her social life. And grandmother Virginia will be affectionately teasing her beloved husband Bill for spending too much time on the golf course and not enough walking the dog or cutting the grass. But what if fate has other plans for them? Suddenly, life threatens to change beyond recognition for the four women, and they each have to look deep inside themselves to find out what they really want if they are to survive the turmoil ahead. And they will discover that a sense of belonging, a loving family, and good friends make all the difference.
