solutions to 25% of the end of chapter problems in Cutnell Johnson's Physics 6th Edition. These problems are specifically indicated in the text. For the 6th Edition of their best-selling Physics, the authors have added both print and online material to encourage readers to engage in the material more interactively. Physics research clearly shows that active learning is much more effective than passive learning. The 6th edition helps readers understand the interrelationships among basic physics concepts and how they fit together to describe our physical world. Throughout the text, the authors emphasize the relevance of physics to our everyday lives.
